

Applied Materials CFO to Present at Industrial Conference

May 1, 2017

SANTA CLARA, Calif., May 01, 2017 (GLOBE NEWSWIRE) -- Applied Materials, Inc. announced today that Robert Halliday, Senior Vice President and CFO, will be a presenter at the KeyBanc Capital Markets Industrial, Automotive and Transportation Conference in Boston on Wednesday, May 31.

"From smartphones and computers to the Internet of Things, autonomous vehicles, robots and drones, Big Data and artificial intelligence, the digital economy is built upon Applied Materials' semiconductor and display manufacturing technologies," Halliday said. "I look forward to meeting investors interested in learning how these emerging applications are making Applied's markets even larger and more attractive."

The company's presentation materials will be made available on the Applied Materials website beginning at 10:00 a.m. EDT / 7:00 a.m. PDT on the same date, and remain available for three months. <http://www.appliedmaterials.com/company/investor-relations>.
