Item 1.01 Entry into a Material Definitive Agreement.

On June 8, 2011, Applied Materials, Inc. (“Applied”) entered into an indenture (the “Base Indenture”) and a first supplemental indenture (the “Supplemental Indenture” and referred to together with the Base Indenture as the “Indenture”) with U.S. Bank National Association, as trustee, to establish the terms and form of those certain senior unsecured notes issued by Applied in the aggregate principal amount of \$1.75 billion (collectively, the “Notes”). The Notes consist of the following tranches: \$400 million aggregate principal amount of 2.650% senior unsecured notes due 2016; \$750 million aggregate principal amount of 4.300% senior unsecured notes due 2021; and \$600 million aggregate principal amount of 5.850% senior unsecured notes due 2041. Interest is payable on the Notes semi-annually in arrears on June 15 and December 15 of each year, commencing December 15, 2011.

Applied previously entered into an Underwriting Agreement dated June 1, 2011 in connection with sale of the Notes, as described further in a Current Report on Form 8-K filed by Applied with the Securities and Exchange Commission (the “SEC”) on June 6, 2011. The Notes were sold in a public offering pursuant to a registration statement on Form S-3 (File No. 333-174636) and related preliminary prospectus supplement filed with the SEC on June 1, 2011, and a related final prospectus supplement filed with the SEC on June 2, 2011.

Applied intends to use the net proceeds of the Notes to fund a portion of the consideration payable in, and certain costs associated with, Applied’s proposed merger (the “Merger”) with Varian Semiconductor Equipment Associates, Inc. (“Varian”) pursuant to that certain Agreement and Plan of Merger dated May 3, 2011 (the “Merger Agreement”), by and among Applied, Varian and Barcelona Acquisition Corp., as described further in a Current Report on Form 8-K filed by Applied on May 4, 2011. In the event that Applied does not consummate the Merger on or before May 31, 2012 or the Merger Agreement is terminated at any time prior to said date, Applied will be required to redeem the Notes at a redemption price equal to 101% of the aggregate principal amount of the Notes plus any accrued and unpaid interest. Applied may also be required to offer to repurchase the Notes upon a change in control and a contemporaneous downgrade of the Notes below an investment grade rating, and it may elect to redeem the Notes in whole or in part at any time, as further specified in the Indenture.

The Indenture contains limited affirmative and negative covenants of Applied. The negative covenants restrict the ability of Applied and its subsidiaries to incur debt secured by liens on its principal property or on shares of stock of its principal subsidiaries; to engage in sale and lease-back transactions with respect to any principal property; and to consolidate, merge or sell all or substantially all of its assets.

Events of default under the Indenture include a failure to make payments, non-performance of affirmative and negative covenants, and bankruptcy and insolvency-related events. Applied’s obligations may be accelerated upon an event of default, in which case the entire principal amount of the Notes would become immediately due and payable.

The foregoing description of certain terms of the Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Base Indenture, which is filed with this report as Exhibit 4.1, and the Supplemental Indenture, which is filed with this report as Exhibit 4.2, and incorporated herein by reference.

Item 8.01. Other Events.

Wilson Sonsini Goodrich Rosati, Professional Corporation, counsel to Applied, has issued an opinion to Applied dated June 8, 2011 regarding the legality of the Notes. A copy of the opinion is filed as Exhibit 5.1 hereto.

The Securities may contain such notations, legends or endorsements required by law, stock exchange rule or usage. Each Security shall be dated the date of its authentication by the Trustee.

A Security shall not be valid until authenticated manually by an authorized signatory of the Trustee or by an Authenticating Agent. Such signature shall be conclusive evidence that the Security so authenticated has been duly authenticated and delivered hereunder and that the holder is entitled to the benefits of this Indenture. At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a written order of the Company for the authentication and delivery of such Securities, signed by an Officer (an "**Authentication Order**"), and the Trustee in accordance with such written order shall authenticate and deliver such Securities.

Notwithstanding the provisions of Section 2.01 and the preceding paragraph, in the case of Securities offered in a Periodic Offering, the Trustee shall authenticate and deliver such Securities from time to time in accordance with instructions or such other procedures acceptable to the Trustee as may be specified by or pursuant to a supplemental indenture or the written order of the Company delivered to the Trustee prior to the time of the first authentication of Securities of such series. With respect to Securities of a series subject to a Periodic Offering, the Trustee may conclusively rely, as to the authorization by the Company of any of such Securities, the forms and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the written order of the Company, Opinion of Counsel, Officer's Certificate and other documents delivered pursuant to this Section 2.04 at or prior to the time of the first authentication of Securities of such series unless and until such written order, Opinion of Counsel, Officer's Certificate or other documents have been superseded or revoked or expire by their terms.

The registrar for the purpose of registering Securities and the transfer of Securities as herein provided shall be appointed as authorized by Board Resolution (the "**Security Registrar**"). If the Company fails to appoint or maintain another entity as Security Registrar, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Security Registrar.

To permit registrations of transfers and exchanges, the Company shall execute a new Security or Securities of the same series as the Security presented for a like aggregate principal amount and in authorized

denominations and the Trustee shall authenticate and deliver such Security or Securities upon receipt of an Authentication Order. The Trustee shall not be required to register the transfer of or exchange any Security selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange. Prior to such due presentment for the registration of a transfer of any Security, the Trustee, the Company, any paying agent and the Security Registrar may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Securities and for all other purposes, and none of the Trustee, the Company, the paying agent or the Security Registrar shall be affected by notice to the contrary.

All certifications, certificates and opinions of counsel required to be submitted to the Trustee pursuant to this Section 2.05 to effect a registration of transfer or exchange may be submitted by facsimile.

No service charge shall be payable by a holder of a beneficial interest in a Global Security or by a Holder of a Definitive Security for any exchange or registration of transfer of Securities, or for any issue of new Securities in case of partial redemption of any series, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge in relation thereto (other than any such taxes or other governmental charge payable upon exchange or registration of transfer pursuant to Sections 2.06, 3.03(b) and 9.04).

(c) Transfer and Exchange of Global Securities. A Global Security may not be transferred except as a whole by the Depository for a series of the Securities to a nominee of such Depository, by a nominee of such Depository to such Depository or to another nominee of such Depository or by such Depository or any such nominee to a successor Depository for a series of the Securities or a nominee of such successor Depository. If at any time the Depository for a series of the Securities notifies the Company that it is unwilling or unable to continue as Depository for such series or if at any time the Depository for such series shall no longer be registered or in good standing under the Exchange Act or other applicable statute or regulation, and a successor Depository for such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such condition, the provisions of Section 2.11 shall no longer be applicable to the Securities of such series. In addition, (i) the Company may at any time determine that the Securities of any series shall no longer be represented by a Global Security and that the provisions of Section 2.11 shall no longer apply to the Securities of such series and (ii) upon an Event of Default if the Trustee so requests, the Securities of any series shall no longer be represented by a Global Security and the provisions of Section 2.11 shall no longer apply to the Securities of such series. In any such event the Company will execute the Definitive Securities of such series, in authorized denominations, and in an aggregate principal amount equal to the principal amount of the Global Security of such series and subject to this Section 2.05 the Trustee, upon receipt of an Officer's Certificate evidencing such determination by the Company, if applicable, will authenticate and deliver such Definitive Securities in exchange for such Global Security. Upon the exchange of the Global Security of such series for such Definitive Securities of such series, the Global Security shall be canceled by the Trustee. Such Definitive Securities shall be registered in such names and in such authorized denominations as the Depository, pursuant to instructions from its Participants or Indirect Participants or otherwise, shall in writing instruct the Trustee. The Trustee shall deliver such Securities to the Depository for delivery to the Persons in whose names such Securities are so registered.

Except as provided in Sections 2.06 and 2.07, a Global Security may not be exchanged for another Security other than as provided in this Section 2.05(c); however, beneficial interests in a Global Security may be transferred and exchanged as provided in Section 2.05(d) or (e). The provisions of this Section 2.05(c) are subject to Section 2.11.

(d) Transfer and Exchange of Beneficial Interests in the Global Securities. The transfer and exchange of beneficial interests in the Global Securities of a series shall be effected through the Depository, in accordance with the provisions of this Indenture, any Board Resolution and any one or more indentures supplemental hereto, and the Applicable Procedures. Beneficial interests in the Restricted Global Securities of a series shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Securities also shall require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) Transfer of Beneficial Interests in the Same Global Security. Beneficial interests in any Restricted Global Security of a series may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Security in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Security of a series may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security of such series. Subject to Section 2.05(e)(4), no written orders or instructions shall be required to be delivered to the Security Registrar to effect the transfers described in this Section 2.05(d)(1).

(2) All Other Transfers and Exchanges of Beneficial Interests in Global Securities. Subject to Section 2.05(c), in connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.05(d)(1) above, the transferor of such beneficial interest must deliver to the Security Registrar, as applicable, either:

(A)(1) an order from a Participant or an Indirect Participant given to the Depository in accordance with the relevant Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Security of such series in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the relevant Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B)(1) an order from a Participant or an Indirect Participant given to the Depository in accordance with the relevant Applicable Procedures directing the Depository to cause to be issued a Definitive Security of such series in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Security Registrar containing information regarding the Person in whose name such Definitive Security shall be registered to effect the transfer or exchange referred to in (B)(1) above;

provided that in no event shall Definitive Securities of a series be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Security of such series prior to (y) the expiration of the relevant Distribution Compliance Period and (z) the receipt by the Security Registrar of any certificates identified by the Company or its counsel to be required pursuant to Rule 903 and Rule 904 under the Securities Act. Upon satisfaction of all the requirements for transfer and exchange of beneficial interests in Global Securities of a series contained in this Indenture, any Board Resolution, or one or more indentures

supplemental hereto and the Securities of such series or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Security or Securities of such series pursuant to Section 2.05(h).

(3) Transfer of Beneficial Interests to Another Restricted Global Security. A beneficial interest in any Restricted Global Security of a series may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Security of the same series if the transfer complies with the requirements of Section 2.05(d)(2) and the Security Registrar receives a completed certificate in the form of Exhibit A.

(4) Transfer and Exchange of Beneficial Interests in a Restricted Global Security for Beneficial Interests in an Unrestricted Global Security. A beneficial interest in any Restricted Global Security of any series may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Security of such series or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security of such series if the exchange or transfer complies with the requirements of Section 2.05(d)(2) above and the Security Registrar receives a completed certificate from such holder in the form of Exhibit A or Exhibit B, as applicable, and an opinion of counsel in form, and from legal counsel, reasonably acceptable to the Security Registrar and the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Security of such series has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.04, the Trustee shall authenticate one or more Unrestricted Global Securities of such series in an aggregate principal amount equal to the aggregate principal amount of beneficial interests so transferred. Beneficial interests in an Unrestricted Global Security of a series cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Security of such series.

(e) Transfer or Exchange of Beneficial Interests for Definitive Securities.

Subject to Section 2.05(c),

(1) Beneficial Interests in Restricted Global Securities to Restricted Definitive Securities. If any holder of a beneficial interest in a Restricted Global Security of a series proposes to exchange such beneficial interest for a Restricted Definitive Security of such series or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Security of such series, then, upon receipt by the Security Registrar of a completed certificate from such holder in the form of Exhibit A or Exhibit B, as applicable, and certificates and opinions of counsel, if applicable, the Trustee shall cause the aggregate principal amount of the applicable Restricted Global Security of such series to be reduced accordingly pursuant to Section 2.05(h), and the Company shall execute a Restricted Definitive Security of such series in the appropriate principal amount and, upon receipt of an Authentication Order pursuant to Section 2.04, the Trustee shall authenticate and deliver to the Person designated in the instructions such Restricted Definitive Security. Any Restricted Definitive Security of such series issued in exchange for a beneficial interest in a Restricted Global Security of such series pursuant to this Section 2.05(e) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Security Registrar through instructions from the Depositary for such series

and the Participant or Indirect Participant. The Trustee shall deliver such Restricted Definitive Securities of such series to the Persons in whose names such Securities are so registered. Any Restricted Definitive Security of such series issued in exchange for a beneficial interest in a Restricted Global Security of such series pursuant to this Section 2.05(e)(1) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) Beneficial Interests in Restricted Global Securities to Unrestricted Definitive Securities. A holder of a beneficial interest in a Restricted Global Security of a series may exchange such beneficial interest for an Unrestricted Definitive Security of such series or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Security of such series only if the Security Registrar receives a completed certificate from such holder in the form of Exhibit A or Exhibit B, as applicable, and an opinion of counsel in form, and from legal counsel, reasonably acceptable to the Security Registrar and the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) Beneficial Interests in Unrestricted Global Securities to Unrestricted Definitive Securities. If any holder of a beneficial interest in an Unrestricted Global Security of a series proposes to exchange such beneficial interest for an Unrestricted Definitive Security of such series or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Security of such series, then, upon satisfaction of the conditions set forth in Section 2.05(d)(2), the Trustee shall cause the aggregate principal amount of the applicable Unrestricted Global Security of such series to be reduced accordingly pursuant to Section 2.05(h), and the Company shall execute an Unrestricted Definitive Security of such series in the appropriate principal amount and, upon receipt of an Authentication Order in accordance with Section 2.04, the Trustee shall authenticate and deliver to the Person designated in the instructions such Unrestricted Definitive Security. Any Unrestricted Definitive Security issued in exchange for a beneficial interest pursuant to this Section 2.05(e)(3) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Security Registrar through instructions from the Depositary for such series and the Participant or Indirect Participant. The Trustee shall deliver such Unrestricted Definitive Securities to the Persons in whose names such Securities are so registered. Any Unrestricted Definitive Security issued in exchange for a beneficial interest pursuant to this Section 2.05(e)(3) shall not bear the Private Placement Legend.

(4) Transfer or Exchange of Regulation S Temporary Global Securities. Notwithstanding the other provisions of this Section 2.05, a beneficial interest in the Regulation S Temporary Global Security of a series may not be (A) exchanged for a Definitive Security of such series prior to (y) the expiration of the Distribution Compliance Period with respect to such series (unless such exchange is effected by the Company, does not require an investment decision on the part of the Holder thereof and does not violate the provisions of Regulation S) and (z) the receipt by the Security Registrar of any certificates identified by the Company or its counsel to be required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act or (B) transferred to a U.S. person (as such term is defined in Regulation S) or for the account or benefit of a U.S. person (other than an initial purchaser of such Regulation S Temporary Global Security) or a Person who takes delivery thereof in the form of a Definitive Security of such series prior to the events set forth in clause (A) above or unless the transfer is pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or 904.

(f) Transfer and Exchange of Definitive Securities for Beneficial Interests.

(1) Restricted Definitive Securities to Beneficial Interests in Restricted Global Securities. If any Holder of a Restricted Definitive Security of a series proposes to exchange such Security for a beneficial interest in a Restricted Global Security of such series or to transfer such Restricted Definitive Securities of such series to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Security of such series, then, upon receipt by the Trustee of the following documentation:

(A) if the Holder of such Restricted Definitive Security of such series proposes to exchange such Security for a beneficial interest in a Restricted Global Security of such series, a completed certificate from such holder in the form of Exhibit B; or

(B) if such Restricted Definitive Security is being transferred to a QIB in accordance with Rule 144A under the Securities Act or to a non-U.S. person in an offshore transaction in accordance with Rule 903 or 904 under the Securities Act, a completed certificate to that effect set forth in Exhibit A, the Trustee shall cancel the Restricted Definitive Security of such series, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Security of such series and, in the case of clause (B) above, the 144A Global Security of such series or the Regulation S Global Security of such series as applicable.

(2) Restricted Definitive Securities to Beneficial Interests in Unrestricted Global Securities. A Holder of a Restricted Definitive Security of a series may exchange such Security for a beneficial interest in an Unrestricted Global Security of such series or transfer such Restricted Definitive Security of such series to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security of such series only if the Security Registrar receives a completed certificate from such Holder in the form of Exhibit A or Exhibit B, as applicable, and an opinion of counsel in form, and from legal counsel, reasonably acceptable to the Security Registrar and the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.05(f)(2), the Trustee shall cancel the Restricted Definitive Securities of such series so transferred or exchanged and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Security of such series.

(3) Unrestricted Definitive Securities to Beneficial Interests in Unrestricted Global Securities. A Holder of an Unrestricted Definitive Security of a series may exchange such Security for a beneficial interest in an Unrestricted Global Security of such series or transfer such Definitive Securities of such series to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security of such series at any time. Upon receipt of a written request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Security and increase or cause or be increased the aggregate principal amount of one of the Unrestricted Global Securities of such series. If any such exchange or transfer from a Definitive Security of a series to a beneficial interest is effected pursuant to subparagraphs (2) or (3) of this Section 2.05(f) at a time when an Unrestricted Global Security of such series has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.04, the Trustee shall authenticate one or more Unrestricted Global Securities of such series in an aggregate principal amount equal to the principal amount of Definitive Securities of such series so transferred.

(g) Transfer and Exchange of Definitive Securities for Definitive Securities. Upon written request by a Holder of Definitive Securities of a series and such Holder's compliance with the provisions of this Section 2.05(g), the Trustee shall register the transfer or exchange of Definitive Securities

of such series pursuant to the provisions of Section 2.05(a). In addition to the requirements set forth in Section 2.05(a), the requesting Holder shall provide any additional certifications, documents, and information, as applicable, required pursuant to the following provisions of this Section 2.05(g).

(1) Restricted Definitive Securities to Restricted Definitive Securities. Any Restricted Definitive Security of a series may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Security of such series if the Trustee receives a completed certificate in the form of Exhibit A, including the certifications, certificates and opinions of counsel required by item (3) thereof, if applicable.

(2) Restricted Definitive Securities to Unrestricted Definitive Securities. Any Restricted Definitive Security of a series may be exchanged by the Holder thereof for an Unrestricted Definitive Security of such series or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Security of such series if the Security Registrar receives a completed certificate from such Holder in the form of Exhibit A or Exhibit B, as applicable and an opinion of counsel in form, and from legal counsel, reasonably acceptable to the Trustee and the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) Unrestricted Definitive Securities to Unrestricted Definitive Securities. A Holder of Unrestricted Definitive Securities of a series may transfer such Securities to a Person who takes delivery thereof in the form of an Unrestricted Definitive Security of such series in accordance with subsection 2.05(a). Upon receipt of a request to register such a transfer, the Security Registrar shall register the Unrestricted Definitive Securities of such series pursuant to the instructions from the Holder thereof.

(h) Cancellation and/or Adjustment of Global Securities. At such time as all beneficial interests in a particular Global Security of a series have been exchanged for Definitive Securities of such series or a particular Global Security of a series has been redeemed, repurchased or cancelled in whole and not in part, each such Global Security of such series shall be returned to or retained and cancelled by the Trustee in accordance with Section 2.08. At any time prior to such cancellation, if any beneficial interest in a Global Security of such series is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of such series or for Definitive Securities of such series, the principal amount of Securities of such series represented by such Global Security shall be reduced accordingly and an endorsement may be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of such series, such other Global Security shall be increased accordingly and an endorsement may be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(i) No Exchange or Transfer. The Company shall not be required (i) to issue, exchange or register the transfer of any Securities during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of less than all the Outstanding Securities of the same series and ending at the close of business on the day of such mailing, (ii) to register the transfer of or exchange any Securities of any series or portions thereof called for redemption, nor (iii) to register the transfer of or exchange a Security of any series between the applicable record date pursuant to Section 2.01(a)(5) and the next succeeding Interest Payment Date.

Section 2.06 Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute temporary Securities (printed, lithographed or typewritten) of any authorized denomination and the Trustee shall authenticate and deliver such Securities. Such temporary Securities shall be substantially in the form of the definitive Securities in lieu of which they are issued, but with such omissions, insertions and variations as may be appropriate for temporary Securities, all as may be determined by the Company. Every temporary Security of any series shall be executed by the Company and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities of such series. Without unnecessary delay the Company will execute and will furnish definitive Securities of such series and thereupon any or all temporary Securities of such series may be surrendered in exchange therefor without charge to the holders, at the office or agency of the Company maintained pursuant to Section 4.02 for the purpose of exchanges of Securities of such series, and the Trustee shall authenticate and such office or agency shall deliver in exchange for such temporary Securities an equal aggregate principal amount of definitive Securities of such series, unless the Company advises the Trustee to the effect that definitive Securities need not be executed and furnished until further notice from the Company. Until so exchanged, temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series authenticated and delivered hereunder.

Section 2.07 Mutilated, Destroyed, Lost or Stolen Securities.

In case any temporary or definitive Security shall become mutilated or be destroyed, lost or stolen, the Company (subject to the next succeeding sentence) shall execute a new Security of the same series, bearing a number not contemporaneously outstanding in exchange and substitution for the mutilated Security, or in lieu of and in substitution for the Security so destroyed, lost or stolen, and upon the Company's written request the Trustee (subject to the next succeeding sentence) shall authenticate and deliver, such Security. In every case the applicant for a substituted Security shall furnish to the Company and the Trustee such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Company and the Trustee evidence to their satisfaction of the destruction, loss or theft of the applicant's Security and of the ownership thereof. The Trustee may authenticate any such substituted Security and deliver the same upon the written request or authorization of any Officer. Upon the issuance of any substituted Security, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith. In case any Security that has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Company, instead of issuing a substitute Security, may pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Security) if the applicant for such payment shall furnish to the Company and the Trustee such security or indemnity as they may require to save them harmless, and, in case of destruction, loss or theft, evidence to the satisfaction of the Company and the Trustee of the destruction, loss or theft of such Security and of the ownership thereof.

Every replacement Security issued pursuant to the provisions of this Section 2.07 shall constitute an additional contractual obligation of the Company whether or not the mutilated, destroyed, lost or stolen Security shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same series duly issued hereunder. All Securities shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities, and shall preclude (to the extent lawful) any and all other rights or remedies, notwithstanding any law or statute

existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.08 Cancellation.

All Securities surrendered for the purpose of payment, redemption, exchange or registration of transfer, if surrendered to the Company or any paying agent, shall be delivered to the Trustee for cancellation, or, if surrendered to the Trustee, shall be cancelled by it, and no Securities shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Indenture. On written request of the Company at the time of such surrender, the Trustee shall deliver to the Company canceled Securities held by the Trustee. If the Company shall otherwise acquire any of the Securities, however, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Securities unless and until the same are delivered to the Trustee for cancellation.

Section 2.09 Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give or be construed to give to any Person, other than the parties hereto and the holders of the Securities, any legal or equitable right, remedy or claim under or in respect of this Indenture, or under any covenant, condition or provision herein contained; all such covenants, conditions and provisions being for the sole benefit of the parties hereto and of the holders of the Securities.

Section 2.10 Authenticating Agent.

So long as any of the Securities of any series remain Outstanding, there may be an Authenticating Agent for any or all such series of Securities which the Trustee shall have the right to appoint. The Authenticating Agent shall be authorized to act on behalf of the Trustee to authenticate Securities of such series, including Securities issued upon exchange, registration of transfer or partial redemption thereof, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. All references in this Indenture to the authentication of Securities by the Trustee shall be deemed to include authentication by an Authenticating Agent for such series. Each Authenticating Agent shall be acceptable to the Company and shall be a corporation that has a combined capital and surplus, as most recently reported or determined by it, sufficient under the laws of any jurisdiction under which it is organized or in which it is doing business to conduct a trust business, and that is otherwise authorized under such laws to conduct such business and is subject to supervision or examination by Federal or State authorities. If at any time any Authenticating Agent shall cease to be eligible in accordance with these provisions, it shall resign immediately. Any Authenticating Agent may resign at any time by giving written notice of resignation to the Trustee and to the Company. The Trustee at any time may, and upon request by the Company shall, terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and to the Company. Upon resignation, termination or cessation of eligibility of any Authenticating Agent, the Trustee may appoint an eligible successor Authenticating Agent acceptable to the Company. Any successor Authenticating Agent, upon acceptance of its appointment hereunder, shall become vested with all the rights, powers and duties of its predecessor hereunder as if originally named as an Authenticating Agent pursuant hereto.

Section 2.11 Global Securities.

(a) General. If the Company shall establish pursuant to Section 2.01 that the Securities of a particular series are to be issued as a Global Security, then the Company shall execute one or more Global Securities that (i) shall represent, and shall be denominated in an amount equal to the aggregate principal amount of, all of the Outstanding Securities of such series, (ii) shall be registered in the name of the Depository or its nominee and (iii) shall be delivered to the Trustee as custodian for the Depository or otherwise delivered pursuant to the Depository's instructions and the Trustee in accordance with Section 2.04 shall authenticate such Global Security or Global Securities.

(b) Euroclear and Clearstream Procedures Applicable. The provisions of the "Operating Procedures of the Euroclear System" and the "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions" and "Customer Handbook" of Clearstream, respectively, in effect at the relevant time shall be applicable to transfers of beneficial interests in the Regulation S Global Securities of such series that are held by Participants through Euroclear or Clearstream.

Section 2.12 CUSIP Numbers.

The Company in issuing the Securities of a series may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Securityholders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

Section 2.13 Securities Denominated in Foreign Currencies.

Except as otherwise specified pursuant to Section 2.01 for Securities of any series, payment of the principal of, premium, if any, and interest on, Securities of such series denominated in any Foreign Currency will be made in such Foreign Currency.

In the event any Foreign Currency or Currencies in which any payment with respect to any series of Securities may be made ceases to be a freely convertible Currency on United States Currency markets, for any date thereafter on which payment of principal of, premium, if any, or interest on the Securities of a series is due, the Company shall select the Currency of payment for use on such date, all as provided in the Securities of such series, in a Board Resolution or in one or more indentures supplemental hereto. In such event, the Company shall notify the Trustee of the Currency which it has selected to constitute the funds necessary to meet the Company's obligations on such payment date and of the amount of such Currency to be paid. Such amount shall be determined as provided in the Securities of such series, in a Board Resolution or in one or more indentures supplemental hereto. The payment with respect to such payment date shall be deposited with the Trustee by the Company solely in the Currency so selected.

Section 2.14 Wire Transfers.

Notwithstanding any other provision to the contrary in this Indenture, the Company may make any payment required to be deposited with the Trustee on account of principal of, premium, if any, or interest on, the Securities by any method of wire transfer to an account designated in writing by the Trustee such that funds are available on or before 12:00 p.m., New York City time, on the date such payment is to be made to the Holders of the Securities in accordance with the terms hereof.

Section 2.15 Designated Currency.

The Company may provide pursuant to Section 2.01 for Securities of any series that:

(a) the obligation, if any, of the Company to pay the principal of, premium, if any, and interest on the Securities of any series in a Foreign Currency or Dollars (the “**Designated Currency**”) as may be specified pursuant to Section 2.01(a)(12) is of the essence and agree that, to the fullest extent possible under applicable law, judgments in respect of Securities of such series shall be given in the Designated Currency;

(b) the obligation of the Company to make payments in the Designated Currency of the principal of, premium, if any, and interest on such Securities shall be discharged, notwithstanding any payment in any other Currency (whether pursuant to a judgment or otherwise), only to the extent of the amount in the Designated Currency that the Securityholder receiving such payment, in accordance with normal banking procedures, may purchase with the amount paid in such other Currency after any premium and cost of exchange on the business day in the country of issue of the Designated Currency or in the international banking community immediately following the day on which such Securityholder receives such payment;

(c) if the amount in the Designated Currency that may be so purchased for any reason falls short of the amount originally due, the Company shall pay such additional amounts as may be necessary to compensate for such shortfall; and

(d) any obligation of the Company not discharged by such payment shall be due as a separate and independent obligation and, until discharged as provided herein, shall continue in full force and effect.

ARTICLE III.

REDEMPTION OF SECURITIES AND SINKING FUND PROVISIONS

Section 3.01 Redemption.

The Company may redeem the Securities of any series issued hereunder on and after the dates and in accordance with the terms established for such series pursuant to Section 2.01.

Section 3.02 Notice of Redemption.

(a) If the Company desires to exercise such right to redeem all or, as the case may be, a portion of the Securities of any series, the Company shall, or shall instruct the Trustee in writing to, give notice of such redemption to holders of the Securities of such series to be redeemed by mailing, first class postage prepaid, a notice of such redemption not less than 30 days and not more than 60 days before the date fixed for redemption of that series to such holders at their last addresses as they shall appear upon the Security Register (unless a shorter period is specified in the Securities to be redeemed). Any notice that is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the registered holder receives the notice. In any case, failure duly to give such notice to the holder of any Security of any series designated for redemption in whole or in part, or any defect in the notice, shall not affect the validity of the proceedings for the redemption of any other Securities of such series or any other series. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of

such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officer's Certificate evidencing compliance with any such restriction.

Each such notice of redemption shall specify the date fixed for redemption and the redemption price at which Securities of that series are to be redeemed, and shall state that: (i) payment of the redemption price of such Securities to be redeemed will be made at the office or agency of the Company maintained for such purpose, or, if none, at the Corporate Trust Office of the Trustee, upon presentation and surrender of such Securities; (ii) interest accrued to the date fixed for redemption will be paid as specified in said notice; (iii) from and after said date interest will cease to accrue; (iv) the redemption is for a sinking fund, if such is the case, and (v) the CUSIP and/or other similar number as contemplated by, and containing the disclaimers and other language contemplated by, Section 2.12. If less than all the Securities of a series are to be redeemed, the notice to the holders of Securities of that series to be redeemed in whole or in part shall specify the particular Securities to be so redeemed. In case any Security is to be redeemed in part only, the notice that relates to such Security shall state the portion of the principal amount thereof to be redeemed, and shall state that on and after the redemption date, upon surrender of such Security, a new Security or Securities of such series in principal amount equal to the unredeemed portion thereof will be issued.

(b) If all or less than all the Securities of a series are to be redeemed, the Company shall give the Trustee at least 15 days' written notice (unless a shorter period shall be satisfactory to the Trustee) in advance of the date the Company gives notice to the Securityholders of the date fixed for redemption as to the aggregate principal amount of Securities of the series to be redeemed. If less than all the Securities are to be redeemed, the Trustee thereupon shall select from Securities of such series Outstanding not previously called for redemption, in accordance with a method determined by the Trustee (in such manner as complies with applicable legal and stock exchange requirements, if any) and that may provide for the selection of a portion or portions (equal to \$2,000 or any integral multiple of \$1,000 in excess thereof) of the principal amount of such Securities of such series of a denomination larger than \$2,000, the Securities of such series to be redeemed. The Trustee promptly shall notify the Company in writing of the numbers of the Securities of such series to be redeemed, in whole or in part.

The Company, if and whenever it shall so elect, by delivery of instructions signed on its behalf by any of its Officers, may instruct the Trustee or any paying agent to call all or any part of the Securities of a particular series for redemption and to give notice of redemption in the manner set forth in this Section 3.02, such notice to be in the name of the Company or its own name, as the Trustee or such paying agent may deem advisable. In any case in which notice of redemption is to be given by the Trustee or any such paying agent, the Company shall deliver or cause to be delivered to, or permit to remain with, the Trustee or such paying agent, as the case may be, such Security Register, transfer books or other records, or suitable copies or extracts therefrom, sufficient to enable the Trustee or such paying agent to give any notice by mail that may be required under the provisions of this Section 3.02.

Section 3.03 Payment Upon Redemption.

(a) If the giving of notice of redemption shall have been completed as above provided, the Securities or portions of Securities of the series to be redeemed specified in such notice shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption, in each case as established pursuant to Section 2.01. Interest on such Securities or portions of Securities shall cease to accrue on and after the date fixed for redemption, unless the Company shall default in the payment of such redemption price and accrued interest with respect to any such Security or portion thereof. On presentation and surrender of such Securities on or after the date

fixed for redemption at the place of payment specified in the notice, such Securities shall be paid and redeemed at the applicable redemption price for such series, together with interest accrued thereon to the date fixed for redemption; provided, that, installments of interest whose Stated Maturity is on or prior to the date fixed for redemption shall be payable to the Securityholders of such Securities (or one or more Predecessor Securities) registered as such at the close of business on the applicable record date pursuant to Section 2.03.

(b) Upon presentation of any Security of such series that is to be redeemed in part only, the Company shall execute a new Security of the same series and tenor of authorized denominations in principal amount equal to the unredeemed portion of the Security so presented and the Trustee shall authenticate, and the office or agency where the Security is presented shall deliver to the holder thereof, at the expense of the Company, such Security; except that if a Global Security is so surrendered, the Company shall execute a new Global Security of like tenor in a denomination equal to and in exchange for the unredeemed portion of the principal of the Global Security so surrendered and, upon receipt of an Officer's Certificate requesting authentication and delivery, the Trustee shall authenticate and deliver to the Depository for such Global Security, without service charge, such Global Security.

Section 3.04 Sinking Fund.

The provisions of this Section 3.04 and Sections 3.05 and 3.06 shall be applicable to any sinking fund for the retirement of Securities of a series, except as otherwise specified as contemplated by Section 2.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 3.05. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

Section 3.05 Satisfaction of Sinking Fund Payments with Securities.

The Company (i) may deliver Outstanding Securities of a series (other than any Securities previously called for redemption) and (ii) may apply as a credit Securities of a series that have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities, provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the redemption price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Section 3.06 Redemption of Securities for Sinking Fund.

Not less than 60 days prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee an Officer's Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of the series, the portion thereof, if any, that is to be satisfied by payment of cash in the Currency in which the Securities of such series are denominated (except as provided pursuant to Section 2.01), the portion thereof, if any, that is to be satisfied by delivering and

crediting Securities of that series pursuant to Section 3.05 and the basis for such credit. Together with such Officer's Certificate, the Company will deliver to the Trustee any Securities to be so delivered. Not less than 15 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 3.02 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 3.02. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Section 3.03.

ARTICLE IV.

CERTAIN COVENANTS

The following covenants shall apply to the Securities, except with respect to any series of Securities for which the supplemental indenture or resolution of the Board of Directors under which such series of Securities is issued or in the form of Security for such series expressly provides that any such covenant shall not apply to such series of Securities:

Section 4.01 Payment of Principal, Premium and Interest.

The Company will duly and punctually pay or cause to be paid the principal of, premium, if any, and interest on the Securities of a series at the time and place and in the manner provided herein and established with respect to such Securities.

Section 4.02 Maintenance of Office or Agency.

So long as any series of the Securities remain Outstanding, the Company will maintain for such series an office or agency where Securities of such series may be presented or surrendered for payment, where Securities of such series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of such series and this Indenture may be given or served. Such designation will continue with respect to each office or agency until the Company, by written notice signed by any Officer and delivered to the Trustee, shall designate some other office or agency for such purposes or any of them. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all presentations, surrenders, notices and demands. Unless otherwise specified in accordance with Section 2.01 with respect to a series of Securities, the Company initially designates the Corporate Trust Office of U.S. Bank National Association, acting as the Company's agent, as the office to be maintained by it for each such purpose.

Section 4.03 Paying Agents.

(a) The Company may appoint one or more paying agents, other than the Trustee, for all or any series of the Securities. If the Company fails to appoint or maintain another entity as paying agent, the Trustee shall act as such. The Company or any of their Subsidiaries may act as paying agent.

(b) The Company shall require each paying agent other than the Trustee to agree in writing that the paying agent will hold in trust for the benefit of Securityholders or the Trustee all funds held by the paying agent for the payment of principal, premium, if any, or interest on the Securities, and will

promptly notify the Trustee in writing of any default by the Company in making any such payment. While any such default continues, the Trustee may require a paying agent to pay all funds held by it to the Trustee. The Company at any time may require a paying agent to pay all funds held by it to the Trustee. Upon payment over to the Trustee, the paying agent (including the Company or any of their Subsidiaries serving as the paying agent) shall have no further liability for the funds. If the Company or any of their Subsidiaries acts as paying agent, it shall segregate and hold in a separate trust fund for the benefit of the Securityholders all funds held by it as paying agent.

(c) Notwithstanding anything in this Section to the contrary, (i) the agreement to hold funds in trust as provided in this Section 4.03 is subject to the provisions of Section 11.06, and (ii) the Company at any time, for the purpose of obtaining the satisfaction and discharge or defeasance of this Indenture or for any other purpose, may pay, or direct any paying agent to pay, to the Trustee all funds held in trust by the Company or such paying agent, such funds to be held by the Trustee upon the same terms and conditions as those upon which such funds were held by the Company or such paying agent. Upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such funds.

Section 4.04 Statement by Officers as to Default.

So long as any of the Securities remain outstanding, the Company will furnish to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, a brief certificate (which need not comply with Section 13.06) executed by two Officers of the Company, one of which shall be the principal executive, financial or accounting officer of the Company, on its behalf as to the Officer's respective knowledge of the Company's compliance with all covenants and agreements under this Indenture required to be complied with by the Company (such compliance to be determined without regard to any period of grace or requirement of notice provided under this Indenture). Such certificate need not include a reference to any non-compliance that has been fully cured prior to the date as of which such certificate speaks.

The Company shall provide written notice to the Trustee within 20 days after becoming aware of the occurrence of any Event of Default under Section 6.01.

Section 4.05 Appointment to Fill Vacancy in Office of Trustee.

The Company, whenever necessary to avoid or to fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.10, a Trustee, so that there shall be at all times a Trustee hereunder.

Section 4.06 Existence.

Subject to Article X, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence.

Section 4.07 Limitation on Liens.

The Company will not, and will not permit any of its Subsidiaries to, create, incur, assume or otherwise cause to become effective any Lien (other than Permitted Liens) on any Principal Property or upon shares of stock of any Principal Subsidiary (whether such Principal Property or shares are now existing or owned or hereafter created or acquired), to secure any indebtedness of the Company, any of its Subsidiaries or any indebtedness of any other Person, unless the Company or such Subsidiary also secures all payments due under all Securities of any series having the benefit of this Section (together with, if the Company shall so

determine, any other indebtedness of the Company or any Subsidiary of the Company then existing or thereafter created ranking equally with the Securities), on an equal and ratable basis with such other indebtedness so secured (or, in the case of indebtedness subordinated to the Securities, prior or senior thereto, with the same relative priority as the Securities will have with respect to such subordinated indebtedness) for so long as such other indebtedness shall be so secured. The foregoing prohibition shall not apply to any of the following Liens (“**Permitted Liens**”):

(a) Liens existing on the date when the Company first issues Securities pursuant to this Indenture;

(b) Liens on property owned or leased by a Person existing at the time such Person is merged with or into or consolidated with the Company or any of its Subsidiaries or the Company or one or more of its Subsidiaries acquires directly or indirectly all or substantially all of the stock or assets of such Person; provided that such Liens were in existence prior to the contemplation of such merger, consolidation or acquisition and do not extend to any assets other than those of the Person merged into, consolidated with or acquired by the Company or such Subsidiary and any improvements thereon or thereto;

(c) Liens on property existing at the time of acquisition thereof by the Company or any Subsidiary of the Company, provided that such Liens were in existence prior to the contemplation of such acquisition and do not extend to any property other than the property so acquired by the Company or such Subsidiary and any improvements thereon or thereto;

(d) Liens to secure indebtedness incurred prior to, at the time of or within 12 months after the later of the acquisition of any property and the completion of the construction, alteration, repair or improvement of any property, as the case may be, for the purpose of financing all or a part of the purchase price thereof or cost of the construction, alteration, repair or improvement thereof and Liens to the extent they secure indebtedness in excess of such purchase price or cost and for the payment of which recourse may be had only against such property;

(e) Liens in favor of the United States or any state, territory or possession thereof (or the District of Columbia), or any department, agency, instrumentality or political subdivision of the United States or any state, territory or possession thereof (or the District of Columbia), to secure partial, progress, advance or other payments pursuant to any contract or statute or to secure any indebtedness incurred for the purpose of financing all or any part of the purchase price or the cost of constructing or improving the property subject to such Liens;

(f) any Lien securing indebtedness of a Subsidiary owing to the Company or to one or more of its Subsidiaries;

(g) Liens imposed by law, such as mechanics’, workmen’s, repairmen’s or other similar Liens arising in the ordinary course of business; pledges or deposits under workmen’s compensation or similar legislation or in certain other circumstances; Liens in connection with legal proceedings; and Liens for taxes or assessments or governmental charges or levies not yet due or delinquent, or which can thereafter be paid without penalty, or which are being contested in good faith by appropriate proceedings;

(h) Liens created, incurred or assumed in connection with an industrial revenue bond, pollution control bond or similar financing between the Company or any of its Subsidiary and any federal, state or municipal government or other government body or quasi-governmental agency;

(i) any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part of any Lien referred to in clauses (a) through (h) above, inclusive, so long as (1) the principal amount of the indebtedness secured thereby does not exceed the principal amount of indebtedness so secured at the time of the extension, renewal or replacement (except that, where an additional principal amount of indebtedness is incurred to provide funds for the completion of a specific project, the additional principal amount, and any related financing costs, may be secured by the Lien as well) and (2) the Lien is limited to the same property subject to the Lien so extended, renewed or replaced (and improvements on the property); and

(j) any Lien on a Principal Property or the shares of stock of a Principal Subsidiary that would not otherwise be permitted by clauses (a) through (i) above, inclusive, securing indebtedness which, together with:

- the aggregate outstanding principal amount of all other indebtedness of the Company and its Subsidiaries secured by Liens on a Principal Property or the shares of stock of a Principal Subsidiary that is permitted solely pursuant to this clause (j), and
- the aggregate Value of existing Sale and Leaseback Transactions that are permitted solely pursuant to clause (c) of Section 4.08 and are still in existence,

does not exceed 15% of the Company's Consolidated Net Tangible Assets.

Section 4.08 Limitation on Sale/Leaseback Transactions.

The Company will not, and will not permit any of its Subsidiaries to, enter into any Sale and Leaseback Transaction with respect to any Principal Property unless:

(a) the Company or such Subsidiary could incur indebtedness, in a principal amount at least equal to the Value of such Sale and Leaseback Transaction, secured by a Lien on the Principal Property to be leased (without equally and ratably securing debt securities of any series having the benefit of this covenant, including any series of Securities) pursuant to clauses (a) through (i) under Section 4.07 above;

(b) the Company or such Subsidiary applies, within 270 days of the effective date of the Sale and Leaseback Transaction, an amount equal to the Value of the Sale and Leaseback Transaction to either (or a combination of) the voluntary retirement of Funded Debt or to the acquisition of property; or

(c) the aggregate Value of such Sale and Leaseback Transaction plus the Value of all other Sale and Leaseback Transactions of Principal Properties entered into after the date the Company first issues Securities under this Indenture permitted solely by this clause (c) and still in existence, plus the aggregate amount of all indebtedness secured by Liens permitted solely by clause (j) of Section 4.07 above does not exceed 15% of the Company's Consolidated Net Tangible Assets.

ARTICLE V.

**SECURITYHOLDERS' LISTS AND REPORTS BY THE COMPANY AND
THE TRUSTEE**

Section 5.01 Company to Furnish Trustee Names and Addresses of Securityholders.

The Company will furnish or cause to be furnished to the Trustee (a) semi-annually at least seven Business Days before each Interest Payment Date for a series of Securities (and in all events at intervals of not more than six months) a list, in such form as the Trustee may reasonably require, of the names and addresses of the holders of each series of Securities as of such date, provided that the Company shall not be obligated to furnish or cause to furnish such list at any time that the list shall not differ in any respect from the most recent list furnished to the Trustee by the Company and (b) at such other times as the Trustee may require in writing within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished; provided, however, that, in either case, no such list need be furnished for any series for which the Trustee shall be the Security Registrar.

Section 5.02 Preservation of Information; Communications with Securityholders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of Securities contained in the most recent list furnished to it as provided in Section 5.01 and as to the names and addresses of holders of Securities received by the Trustee in its capacity as Security Registrar (if acting in such capacity).

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other Securityholders with respect to their rights under this Indenture or under the Securities.

Section 5.03 Reports by the Company.

(a) So long as any Securities are outstanding, the Company shall file with the Trustee, within 15 days after it files with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) that the Company is required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act. The Company shall be deemed to have complied with the previous sentence to the extent that such information, documents and reports are filed with the Commission via EDGAR (or any successor electronic delivery procedure) or posted on its website.

(b) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 5.04 Reports by the Trustee.

(a) Any Trustee's report required under Section 313(a) of the Trust Indenture Act shall be transmitted on or before July 15 in each year following the date hereof, so long as any Securities are

outstanding hereunder, and shall be dated as of a date convenient to the Trustee no more than 60 nor less than 45 days prior thereto.

(b) A copy of each such report shall, at the time of such transmission to Securityholders, be filed by the Trustee with the Company, with any stock exchange upon which any Securities are listed and with the Commission. The Company agrees to notify the Trustee when any Securities become listed on any stock exchange or delisted therefrom.

ARTICLE VI.

REMEDIES OF THE TRUSTEE AND SECURITYHOLDERS ON EVENT OF DEFAULT

Section 6.01 Events of Default.

(a) Whenever used herein with respect to Securities of a particular series, "Event of Default" means any one or more of the following events that has occurred and is continuing, except with respect to any series of Securities for which the supplemental indenture or resolution of the Board of Directors under which such series of Securities is issued or in the form of Security for such series expressly provides that any such Event of Default shall not apply to such series of Securities:

(1) default in the payment of the principal or any premium on any Security of that series when due (whether at maturity, upon acceleration, redemption or otherwise);

(2) default for 30 days in the payment of interest on any Security of such series when due;

(3) failure by the Company to observe or perform any term of the Indenture (other than those referred to in (1) or (2) above and other than a covenant or agreement included in this Indenture not for the benefit of such series) for a period of 90 days after the Company receives a notice of default stating that the Company is in breach. The notice must be sent by either the Trustee or Holders of not less than 25% of the principal amount of the Securities of the affected series;

(4) the entry by a court having competent jurisdiction of:

(A) an order for relief in respect of the Company in an involuntary proceeding under any Bankruptcy Law and such order shall remain unstayed and in effect for a period of 60 consecutive days; or

(B) a final and non-appealable order appointing a Custodian, of the Company, or ordering the winding up or liquidation of the affairs of the Company, and such order shall remain unstayed and in effect for a period of 60 consecutive days;

(5) the commencement by the Company of a voluntary proceeding under any Bankruptcy Law or the consent by the Company to the entry of a decree or order for relief in an involuntary proceeding under any Bankruptcy Law or the filing by the Company of a consent to an order for relief in any involuntary proceeding under any Bankruptcy Law or to the appointment of a Custodian or the making by the Company of an assignment for the benefit of creditors; or

(6) any other Event of Default provided in the supplemental indenture or resolution of the Board of Directors under which such series of Securities is issued or in the form of Security for such series.

(b) In each and every such case (other than an Event of Default specified in Section 6.01(a)(4) or 6.01(a)(5)), unless the principal of all the Securities of that series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by such Securityholders), may declare the unpaid principal of all the Securities of that series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable. If an Event of Default specified in Section 6.01(a)(4) or 6.01(a)(5) occurs, the principal amount of all the Securities shall automatically become immediately due and payable without any declaration or other action on the part of the Trustee or any Holder.

(c) At any time after the principal of the Securities of that series shall have been so declared due and payable, and before any judgment or decree for the payment of the amount due shall have been obtained or entered as hereinafter provided, the holders of a majority in aggregate principal amount of the Securities of that series then Outstanding hereunder, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if: (i) the Company has or has caused to be paid or deposited with the Trustee an amount sufficient to pay all matured installments of interest upon all the Securities of that series and the principal of and premium, if any, on any and all Securities of that series that shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any, and, to the extent that such payment is enforceable under applicable law, upon overdue installments of interest, at the rate expressed in the Securities of that series to the date of such payment or deposit), and (ii) any and all Events of Default under this Indenture with respect to such series, other than the nonpayment of principal on Securities of that series that shall have become due solely by such declaration of acceleration, shall have been remedied or waived as provided in Section 6.06.

No such rescission and annulment shall extend to or shall affect any subsequent default or impair any right consequent thereon.

(d) In case the Trustee shall have proceeded to enforce any right with respect to Securities of that series under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case, subject to any determination in such proceedings, the Company and the Trustee shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company and the Trustee shall continue as though no such proceedings had been taken.

(e) The Trustee shall give to the Securityholders of any series, as the names and addresses of such Holders appear on the Security Register, notice by mail of all defaults known to the Trustee that have occurred with respect to such series, such notice to be transmitted within 90 days after the occurrence thereof, unless such defaults shall have been cured before the giving of such notice (the term "default" or "defaults" for the purposes of this Section 6.01(e) being hereby defined to mean any event or condition which is, or with notice or lapse of time or both would become, an Event of Default); provided that, except in the case of default in the payment of the principal of, premium, if any, or interest on any of the Securities of such series, or in the payment of any sinking or purchase fund installment with respect to the Securities of such series, the Trustee shall be protected in withholding such notice if and so long as its board

of directors, executive committee, or trust committee of directors or trustees and/or Responsible Officers in good faith determines that the withholding of such notice is in the interests of the Securityholders of such series.

Section 6.02 Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Company covenants that (i) in case it shall default in the payment of any installment of interest on any of the Securities of a series, or any payment required by any sinking or analogous fund established with respect to that series as and when the same shall have become due and payable, and such default shall have continued for a period of 30 days, or (ii) in case it shall default in the payment of the principal of, or premium, if any, on any of the Securities of a series when the same shall have become due and payable, whether upon maturity of the Securities of a series or upon redemption or upon declaration or otherwise, then, upon demand of the Trustee, the Company will pay to the Trustee, for the benefit of the holders of the Securities of that series, the whole amount that then shall have become due and payable on all such Securities for principal, premium, if any, or interest, or both, with interest upon the overdue principal, premium, if any, and (to the extent that payment of such interest is enforceable under applicable law) upon overdue installments of interest at the rate expressed in the Securities of that series; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, and the amount payable to the Trustee under Section 7.06.

(b) If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the amounts so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the property of the Company, wherever situated.

(c) In case of any receivership, insolvency, liquidation, bankruptcy, reorganization, readjustment, arrangement, composition or judicial proceedings affecting the Company or its respective creditors or property, the Trustee shall have power to intervene in such proceedings and take any action therein that may be permitted by the court and, except as otherwise provided by law, shall be entitled to file such proofs of claim and other papers and documents as may be necessary or advisable in order to have the claims of the Trustee and of the holders of Securities of such series allowed for the entire amount due and payable by the Company under this Indenture at the date of institution of such proceedings and for any additional amount that may become due and payable by the Company after such date, and to collect and receive any funds or other property payable or deliverable on any such claim, and to distribute the same in accordance with Section 6.03. Any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of Securities of such series to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to such Securityholders, to pay to the Trustee any amount due it under Section 7.06.

(d) All rights of action and of asserting claims under this Indenture, or under any of the terms established with respect to Securities of that series, may be enforced by the Trustee without the possession of any of such Securities, or the production thereof at any trial or other proceeding relative thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for payment to the Trustee of any amounts due under Section 7.06, be for the ratable benefit of the holders of the Securities of such series.

In case of an Event of Default, the Trustee in its discretion may proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Nothing contained herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Securityholder any plan of reorganization, arrangement, adjustment or composition affecting the Securities of that series or the rights of any holder thereof or to authorize the Trustee to vote in respect of the claim of any Securityholder in any such proceeding.

Section 6.03 Application of Funds Collected.

Any funds collected by the Trustee pursuant to this Article VI with respect to a particular series of Securities shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such funds on account of principal, premium, if any, or interest, upon presentation of the Securities of that series, and notation thereon the payment, if only partially paid, and upon surrender thereof if fully paid:

FIRST: To the payment of costs and expenses of collection and of all amounts payable to the Trustee under Section 7.06;

SECOND: To the payment of the amounts then due and unpaid upon Securities of such series for principal, premium, if any, and interest, in respect of which or for the benefit of which such funds have been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal, premium, if any, and interest, respectively; and

THIRD: To the Company.

Section 6.04 Limitation on Suits.

No holder of any Security of any series shall have any right by virtue or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless (i) such holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof with respect to the Securities of such series specifying such Event of Default; (ii) the holders of not less than 25% in aggregate principal amount of the Securities of such series then Outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as trustee hereunder; (iii) such holder or holders shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby; (iv) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity, shall have failed to institute any such action, suit or proceeding; and (v) during such 60 day period, the holders of a majority in principal amount of the Securities then Outstanding do not give the Trustee a direction inconsistent with the request.

Notwithstanding anything contained herein to the contrary, any other provisions of this Indenture, the right of any holder of any Security to receive payment of the principal of, and premium, if any, and interest on such Security, as therein provided, on or after the respective due dates expressed in such Security (or in the

case of redemption, on the redemption date), or to institute suit for the enforcement of any such payment on or after such respective dates or redemption date, shall not be impaired or affected without the consent of such holder. By accepting a Security hereunder it is expressly understood, intended and covenanted by the taker and holder of every Security of such series with every other such taker and holder and the Trustee, that no one or more holders of Securities of such series shall have any right in any manner whatsoever by virtue or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of the holders of any other of such Securities, or to obtain or seek to obtain priority over or preference to any other such holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Securities of such series. For the protection and enforcement of the provisions of this Section 6.04, each Securityholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Section 6.05 Rights and Remedies Cumulative; Delay or Omission not Waiver.

(a) Except as otherwise provided in Section 2.07, all powers and remedies given by this Article VI to the Trustee or to the Securityholders, to the extent permitted by law, shall be deemed cumulative and not exclusive of any other powers and remedies available to the Trustee or the holders of the Securities, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture or otherwise established with respect to such Securities.

(b) No delay or omission of the Trustee or of any holder of any of the Securities to exercise any right or power accruing upon any Event of Default occurring and continuing shall impair any such right or power, or shall be construed to be a waiver of any such default or on acquiescence therein. Subject to the provisions of Section 6.04, every power and remedy given by this Article VI or by law to the Trustee or the Securityholders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Securityholders.

Section 6.06 Control by Securityholders.

The holders of a majority in aggregate principal amount of the Securities of any series at the time Outstanding, determined in accordance with Section 8.04, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to such series; provided, however, that such direction shall not be in conflict with any rule of law or with this Indenture or be unduly prejudicial to the rights of holders of Securities of any other series at the time Outstanding determined in accordance with Section 8.04. Subject to the provisions of Section 7.01, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith, by a Responsible Officer or Responsible Officers of the Trustee, shall determine that the proceeding so directed would involve the Trustee in personal liability. The holders of a majority in aggregate principal amount of the Securities of any series at the time Outstanding affected thereby, determined in accordance with Section 8.04, by written notice to the Company and the Trustee, on behalf of the holders of all of the Securities of such series, may rescind an acceleration or waive any existing Default or Event of Default with respect to such series and its consequences, if the rescission would not conflict with any judgment or decree, except (i) a default in the payment of the principal of, premium, if any, or interest on, any of the Securities of that series; or (ii) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected. Upon any such waiver, the default covered thereby shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for all purposes of this Indenture and the Company, the Trustee and the holders of the Securities of such series shall be restored to their former positions and rights

hereunder, respectively; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 6.07 Undertaking to Pay Costs.

All parties to this Indenture agree, and each holder of any Securities by such holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 6.07 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Securityholder, or group of Securityholders, holding more than 10% in aggregate principal amount of the Outstanding Securities of any series, or to any suit instituted by any Securityholder for the enforcement of the payment of the principal of, premium, if any, or interest on any Security of such series, on or after the respective due dates expressed in such Security or established pursuant to this Indenture.

Section 6.08 Waiver of Usury, Stay Or Extension Laws.

Each of the Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and each of the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII.

CONCERNING THE TRUSTEE

Section 7.01 Certain Duties and Responsibilities of Trustee.

(a) In case an Event of Default with respect to the Securities of a series has occurred (that has not been cured or waived), the Trustee shall exercise with respect to Securities of that series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to the Securities of a series and after the curing or waiving of all such Events of Default with respect to that series that may have occurred:

(i) the duties and obligations of the Trustee shall with respect to the Securities of such series be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable with respect to the Securities of such series except for the performance of such duties and

obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on the part of the Trustee, the Trustee with respect to the Securities of such series may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical computations or other facts stated therein);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of not less than a majority in principal amount of the Securities of any series at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture with respect to the Securities of that series; and

(4) none of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it under the terms of this Indenture or adequate indemnity against such risk is not reasonably assured to it.

Section 7.02 Certain Rights of Trustee.

Except as otherwise provided in Section 7.01:

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, security or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) Any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Board Resolution or an instrument signed in the name of the Company by an Officer (unless other evidence in respect thereof is specifically prescribed herein).

(c) The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted hereunder in good faith and in reliance thereon.

(d) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Securityholders, pursuant to the provisions of this Indenture, unless such Securityholders shall have offered to the Trustee indemnity satisfactory to it against the costs, expenses and liabilities that may be incurred therein or thereby.

(e) The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, provided, however, that the Trustee's conduct does not constitute willful misconduct, bad faith or negligence.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, security or other papers or documents, but the Trustee, in its discretion, may make such further inquiry into such matters as it may see fit, and if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled upon reasonable notice and at reasonable times to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have notice of any Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee.

(h) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 7.03 Trustee not Responsible for Recitals or Issuance of Securities.

(a) The recitals contained herein and in the Securities shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same.

(b) The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities.

(c) The Trustee shall not be accountable for the use or application by the Company of any of the Securities or of the proceeds of such Securities, or for the use or application of any funds paid over by the Trustee in accordance with any provision of this Indenture or established pursuant to Section 2.01, or for the use or application of any funds received by any paying agent other than the Trustee.

Section 7.04 May Hold Securities.

The Trustee or any paying agent or Security Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, paying agent or Security Registrar. However, the Trustee is subject to Sections 7.09 and 7.13.

Section 7.05 Funds Held in Trust.

Subject to the provisions of Section 11.06, all funds received by the Trustee, until used or applied as herein provided, shall be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any funds received by it hereunder except such as it may agree with the Company to pay thereon.

Section 7.06 Compensation and Reimbursement.

(a) The Company shall pay to the Trustee, and the Trustee shall be entitled to be paid, such compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), as the Company and the Trustee from time to time may agree in writing, for all services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties hereunder of the Trustee. Except as otherwise expressly provided herein, the Company will pay or reimburse the Trustee upon its request for all reasonable expenses and disbursements incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all Persons not regularly in its employ) except any such expense or disbursement as shall have been caused by its own negligence, willful misconduct or bad faith. The Company shall indemnify the Trustee (and its officers, agents, directors and employees) for, and shall hold it harmless against, any and all loss, liability, claim, damage or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee) incurred without negligence, willful misconduct or bad faith on the part of the Trustee and arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability (whether asserted by the Company, any Holder or any other Person). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee so to notify the Company shall not relieve the Company of its obligations hereunder, except to the extent that the Company has been prejudiced by such failure. The Company shall defend the claim and the Trustee shall cooperate, to the extent reasonable, in the defense of any such claim, and, if (in the opinion of counsel to the Trustee) the facts and/or issues surrounding the claim are reasonably likely to create a conflict with the Company, the Company shall pay the reasonable fees and expenses of separate counsel to the Trustee. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, negligence or bad faith. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld or delayed.

(b) The obligations of the Company under this Section 7.06 to compensate and indemnify the Trustee and to pay or reimburse the Trustee for expenses and disbursements shall: (i) be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities; and (ii) survive the termination of this Indenture and resignation or removal of the Trustee.

(c) When the Trustee incurs expenses or renders services in connection with an Event of Default, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

Section 7.07 Reliance on Officer's Certificate.

Except as otherwise provided in Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering or omitting to take any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed), in the absence of negligence or bad faith on the part of the Trustee, may be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee and such certificate, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted to be taken by it under the provisions of this Indenture upon the faith thereof.

Section 7.08 Disqualification; Conflicting Interests.

If the Trustee has or shall acquire any "conflicting interest" within the meaning of Section 310(b) of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

Section 7.09 Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee with respect to the Securities issued hereunder which shall at all times be a corporation organized and doing business under the laws of the United States or any State or Territory thereof or of the District of Columbia, or a corporation or other Person permitted to act as trustee by the Commission, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$100,000,000, and subject to supervision or examination by Federal, State, Territorial, or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 7.09 the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Company may not, nor may any Affiliate of the Company, serve as Trustee. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.09, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

Section 7.10 Resignation and Removal; Appointment of Successor.

(a) The Trustee or any successor hereafter appointed may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company and by transmitting notice of resignation by mail, first class postage prepaid, to the Securityholders of such series, as their names and addresses appear upon the Security Register. Upon receiving such notice of resignation, the Company promptly shall appoint a successor trustee with respect to Securities of such series. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the retiring Trustee resigns, the retiring Trustee, at the expense of the Company, or the Company may petition any court of competent jurisdiction for the appointment of a successor trustee with respect to Securities of such series, or any Securityholder of that series who has been a bona fide holder of a Security or Securities for at least six months

may on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any one of the following shall occur, the Company may remove the Trustee with respect to all or any series of Securities and appoint a successor trustee, or, unless the Trustee's duty to resign is stayed as provided herein, any Securityholder who has been a bona fide holder of a Security or Securities for at least six months, on behalf of that holder and all others similarly situated, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee:

(1) the Trustee shall fail to comply with the provisions of Section 7.08 after written request therefor by the Company or by any Securityholder who has been a bona fide holder of a Security or Securities for at least six months; or

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 and shall fail to resign after written request therefor by the Company or by any such Securityholder; or

(3) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or commence a voluntary bankruptcy proceeding, or a receiver of the Trustee or of its property shall be appointed or consented to, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation.

If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee being removed may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The holders of a majority in aggregate principal amount of the Securities of any series at the time Outstanding at any time may remove the Trustee with respect to such series upon 30 days' written notice to the Trustee and the Company and may appoint a successor Trustee for such series with the consent of the Company.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee with respect to the Securities of a series pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.11.

(e) Any successor trustee appointed pursuant to this Section 7.10 may be appointed with respect to the Securities of one or more series or all of such series, and at any time there shall be only one Trustee with respect to the Securities of any particular series.

Section 7.11 Acceptance of Appointment By Successor.

(a) In case of the appointment hereunder of a successor trustee with respect to all Securities, every such successor trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor trustee, without any further act,

deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee. On the request of the Company or the successor trustee, such retiring Trustee, upon payment of its charges, shall execute and deliver an instrument transferring to such successor trustee all the rights, powers, and trusts of the retiring Trustee and shall assign, transfer and deliver to such successor trustee all property and funds held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor trustee shall accept such appointment and which (i) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor trustee relates, (ii) shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (iii) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust, that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and that no Trustee shall be responsible for any act or failure to act on the part of any other Trustee hereunder. Upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein, and such retiring Trustee shall have no further responsibility with respect to the Securities of that or those series to which the appointment of such successor trustee relates for the exercise of rights and powers or for the performance of the duties and obligations vested in the Trustee under this Indenture. Each such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor trustee relates. On request of the Company or any successor trustee, such retiring Trustee shall assign, transfer and deliver to such successor trustee, to the extent contemplated by such supplemental indenture, the property and funds held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor trustee relates.

(c) Upon request of any such successor trustee, the Company may execute any and all instruments for more fully and certainly vesting in and confirming to such successor trustee all such rights, powers and trusts referred to in Section 7.11(a) or (b), as the case may be.

(d) No successor trustee shall accept its appointment unless at the time of such acceptance such successor trustee shall be qualified and eligible under this Article VII.

(e) Upon acceptance of appointment by a successor trustee as provided in this Section 7.11, the successor trustee shall cause a notice of its succession to be transmitted to Securityholders.

Section 7.12 Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the

Trustee, shall be the successor of the Trustee hereunder, provided that such corporation shall be qualified under the provisions of Section 7.08 and eligible under the provisions of Section 7.09, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 7.13 Preferential Collection of Claims Against the Company.

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

ARTICLE VIII.

CONCERNING THE SECURITYHOLDERS

Section 8.01 Evidence of Action by Securityholders.

Whenever in this Indenture it is provided that the holders of a majority or specified percentage in aggregate principal amount of the Securities of a particular series may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such majority or specified percentage of that series have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by such holders of Securities of that series in Person or by agent or proxy appointed in writing.

The Company may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities of such series, provided, however, that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of the relevant series on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; provided, however, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 13.03.

The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to join in the giving or making of (i) any notice of Default, (ii) any declaration of acceleration referred to in Section 6.01, (iii) any request to institute proceedings referred to in Section 6.04 or (iv) any direction referred to in Section 6.06, in each case with respect to Securities of such series. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of such series on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided, however, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 13.03.

With respect to any record date set pursuant to this Section, the party hereto which sets such record dates may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided, however, that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities of the relevant series in the manner set forth in Section 13.03, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the party hereto which set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

Section 8.02 Proof of Execution by Securityholders.

Subject to the provisions of Section 8.01, proof of the execution of any instrument by a Securityholder (such proof will not require notarization) or his agent or proxy and proof of the holding by any Person of any of the Securities shall be sufficient if made in the following manner:

- (a) The fact and date of the execution by any such Person of any instrument may be proved in any reasonable manner acceptable to the Trustee.
- (b) The ownership of Securities shall be proved by the Security Register of such Securities or by a certificate of the Security Registrar thereof.

(c) The Trustee may require such additional proof of any matter referred to in this Section as it shall deem necessary.

Section 8.03 Who May be Deemed Owners.

Prior to the due presentment for registration of transfer of any Security, the Company, the Trustee, any paying agent and any Security Registrar may deem and treat the Person in whose name such Security shall be registered upon the books of the Company as the absolute owner of such Security (whether or not such Security shall be overdue and notwithstanding any notice of ownership or writing thereon made by anyone other than the Security Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and (subject to Section 2.03) interest on such Security and for all other purposes; and neither the Company nor the Trustee nor any paying agent nor any Security Registrar shall be affected by any notice to the contrary.

None of the Company, the Trustee, any paying agent or the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 8.04 Certain Securities Owned by Company Disregarded.

In determining whether the holders of the requisite aggregate principal amount of Securities of a particular series have concurred in any direction, consent or waiver under this Indenture, the Securities of that series that are owned by the Company or any other obligor on the Securities of that series or by an Affiliate of the Company shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Securities of such series that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. The Securities so owned that have been pledged in good faith may be regarded as Outstanding for the purposes of this Section, if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right so to act with respect to such Securities and that the pledgee is not an Affiliate. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officer's Certificate listing and identifying all Securities of a particular series, if any known by the Company to be owned or held by or for the account of any of the above described Persons and, subject to Sections 7.01 and 7.02, the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Securities of such particular series not listed therein are Outstanding for the purpose of any such determination.

Section 8.05 Actions Binding on Future Securityholders.

At any time prior to the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the holders of the majority or percentage in aggregate principal amount of the Securities of a particular series specified in this Indenture in connection with such action, any holder of a Security of that series that is shown by the evidence to be included in the Securities the holders of which have consented to such action, by filing written notice with the Trustee, and upon proof of holding as provided in Section 8.02, may revoke such action so far as concerns such Security. Except as aforesaid, any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security, and of any Security issued in exchange therefor, on registration of transfer thereof or

in place thereof, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the majority or percentage in aggregate principal amount of the Securities of a particular series specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities of that series.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.01 Supplemental Indentures Without the Consent of Securityholders.

In addition to any supplemental indenture otherwise authorized by this Indenture, the Company and the Trustee from time to time and at any time may enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as then in effect), without the consent of the Securityholders, for one or more of the following purposes:

(a) to cure any ambiguity, defect, or inconsistency herein or in the Securities of any series;

(b) to make such other provisions in regard to matters or questions arising under this Indenture or under any supplemental indenture as the Board of Directors of the Company may deem necessary or desirable, and which shall not in each case adversely affect the interests of the Holders of the Securities;

(c) to evidence the succession of another Person to the Company, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company, as the case may be, pursuant to Article X;

(d) to provide for uncertificated Securities in addition to or in place of certificated Securities;

(e) to add to the covenants of the Company for the benefit of the holders of all or any outstanding series of Securities (and if such covenants are to be for the benefit of less than all outstanding series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Company;

(f) to add any additional Events of Default for the benefit of the holders of all or any outstanding series of Securities (and if such Events of Default are to be applicable to less than all outstanding series, stating that such Events of Default are expressly being included solely to be applicable to such series);

(g) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall not become effective with respect to any outstanding Security of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision;

(h) to secure the Securities of any series;

(i) to make any other change that does not adversely affect the rights of any Securityholder of Outstanding Securities;

(j) to provide for the issuance of and establish the form and terms and conditions of the Securities of any series as provided in Section 2.01, to provide which, if any, of the covenants of the Company shall apply to such series, and to provide which of the Events of Default shall apply to such series or to define the rights of the holders of such series of Securities;

(k) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;

(l) to issue additional Securities of any series; provided that such additional Securities have the same terms as, and be deemed part of the same series as, the applicable series of Securities issued hereunder to the extent required by Section 2.01(b); or

(m) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trust hereunder by more than one Trustee.

Upon the request of the Company, accompanied by Board Resolutions authorizing the execution of any such supplemental indenture, and upon receipt by the Trustee of the documents described in Section 9.05, the Trustee shall join with the Company in the execution of any such supplemental indenture, and to make any further appropriate agreements and stipulations that may be therein contained.

Any supplemental indenture authorized by the provisions of this Section 9.01 may be executed by the Company and the Trustee without the consent of the holders of any of the Securities at the time Outstanding, notwithstanding any of the provisions of Section 9.02.

Section 9.02 Supplemental Indentures with Consent of Securityholders.

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of each series at the time Outstanding affected by such supplemental indenture or indentures, the Company, when authorized by Board Resolutions, and the Trustee from time to time and at any time may enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as then in effect) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner not covered by Section 9.01 the rights of the holders of the Securities of such series under this Indenture; provided, however, that no such supplemental indenture, without the consent of the Holder of each Security then Outstanding and affected thereby, shall

(i) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security or any other Security which would be due and payable upon a declaration of acceleration of the maturity or redemption thereof pursuant to Section 6.01(b), or change any place of payment where, or the coin or Currency in which, any Security or any premium or interest thereon is payable, change the terms of or waive any redemption provisions or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), or

(ii) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture, or

(iii) modify any of the provisions of this Section or Section 6.06, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture that changes or eliminates any covenant, Event of Default or other provision of this Indenture that has been expressly included solely for the benefit of one or more particular series of Securities, if any, or which modifies the rights of the holders of Securities of such series with respect to such covenant, Event of Default or other provision, shall be deemed not to affect the rights under this Indenture of the holders of Securities of any other series.

It shall not be necessary for the consent of Securityholders of a series affected thereby under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Section 9.02, the Company shall mail or caused to be mailed a notice thereof by first class mail to the Holders of Securities of each series affected thereby at their addresses as they shall appear on the Security Register, setting forth in general terms the substance of such supplemental indenture. Any failure of the Company to mail such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

Section 9.03 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture pursuant to the provisions of this Article IX or Section 10.01, this Indenture shall be and be deemed to be modified and amended with respect to such series in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities of the series affected thereby shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.04 Securities Affected by Supplemental Indentures.

Securities of any series affected by a supplemental indenture and authenticated and delivered after the execution of such supplemental indenture pursuant to the provisions of this Article or of Section 10.01 may bear a notation in form approved by the Company, provided such form meets the requirements of any exchange upon which such series may be listed, as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of that series so modified as to conform, in the opinion of the Board of Directors of the Company, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered in exchange for the Securities of that series then Outstanding.

Section 9.05 Execution of Supplemental Indentures.

Upon the request of the Company, accompanied by Board Resolutions authorizing the execution of any such supplemental indenture, and, if applicable, upon the filing with the Trustee of evidence of the consent of Securityholders required to consent thereto as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee in its discretion may but shall not be obligated to enter into such supplemental indenture. The Trustee, subject to the provisions of Section 7.01, shall receive an Opinion of Counsel and Officer's Certificate as conclusive evidence that any supplemental indenture executed pursuant to this Article IX is authorized or permitted by, and conforms to, the terms of this Article IX.

ARTICLE X.

SUCCESSOR

Section 10.01 Consolidation, Merger and Sale of Assets.

The Company shall not consolidate with, merge with or into, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of the property and assets of the Company or the Company's Subsidiaries taken as a whole (in one transaction or a series of related transactions) to, any Person or permit any Person to merge with or into it unless:

(a) The Company shall be the continuing Person, or the Person (if other than the Company) formed by such consolidation or into which we are merged or that acquired or leased such property and assets, shall be a Person organized and validly existing under the laws of the United States of America or any jurisdiction thereof, and shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all of the Company's obligations under this Indenture and the Securities;

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(c) the Company delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case stating that such consolidation, merger or transfer and such supplemental indenture complies with this Section 10.01 and that all conditions precedent provided for herein relating to such transaction have been complied with.

To the extent that a Board Resolution or supplemental indenture pertaining to any series provides for different provisions relating to the subject matter of this Article X, the provisions in such Board Resolution or supplemental indenture shall govern for purposes of such series.

The restrictions in Sections 10.01(b) and 10.01(c) shall not be applicable to:

(i) the merger or consolidation of the Company with an Affiliate of the Company if the Board of Directors determines in good faith that the purpose of such transaction is principally to change the state of incorporation of the Company or convert the form of organization of the Company to another form; or

(ii) the merger of the Company with or into a single direct or indirect wholly owned subsidiary of the Company pursuant to Section 251(g) (or any successor provision) of the General Corporation Law of the State of Delaware (or similar provision of the Company's state of incorporation).

Section 10.02 Successor Person Substituted.

Upon any consolidation or merger, or any sale, conveyance, transfer, lease or other disposition of all or substantially all of the property and assets of the Company in accordance with Section 10.01 of this Indenture, the successor Person formed by such consolidation or into which the Company is merged or to which such sale, conveyance, transfer, lease or other disposition is made shall succeed to and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company; provided that the Company shall not be released from its obligation to pay the principal of, premium, if any, or interest on the Securities in the case of a lease of all or substantially all of its property and assets.

ARTICLE XI.

SATISFACTION AND DISCHARGE

Section 11.01 Applicability of Article.

If the Securities of a series are denominated and payable only in Dollars (except as provided pursuant to Section 2.01), then the provisions of this Article XI relating to defeasance of Securities shall be applicable except as otherwise specified pursuant to Section 2.01 for Securities of such series. Defeasance provisions, if any, for Securities denominated in a Foreign Currency may be specified pursuant to Section 2.01.

Section 11.02 Satisfaction and Discharge of Indenture.

This Indenture will be discharged and will cease to be of further effect as to a series of Securities issued hereunder if at any time:

(a) either

(i) the Company shall have delivered or shall have caused to be delivered to the Trustee for cancellation all Securities of a series theretofore authenticated (other than any Securities that shall have been destroyed, lost or stolen and that shall have been replaced or paid as provided in Section 2.07) and Securities for whose payment funds or Governmental Obligations have theretofore been deposited in trust or segregated and held in trust by the Company and thereupon repaid to the Company or discharged from such trust, as provided in Section 11.06; or

(ii) all such Securities of a particular series not theretofore delivered to the Trustee for cancellation shall have become due and payable or are by their terms to become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company shall irrevocably deposit or cause to be deposited with the Trustee as trust funds, cash or Governmental Obligations that will generate enough cash, or a combination thereof sufficient to pay in Dollars (except as otherwise provided pursuant to Section 2.01) at maturity or upon redemption all Securities of such series not theretofore delivered to the Trustee for cancellation, including principal, premium, if any, and interest due or to become due on such date of maturity or redemption date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to such series; and

(c) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such series have been complied with.

Nothing in this Section 11.02 shall be deemed to discharge the following provisions that shall survive until the date of maturity or redemption date, as the case may be: (A) the rights of Holders of Securities of such series to receive, solely from the trust fund described in Section 11.03(c) and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on such Securities when due, (B) the Company's obligation with respect to such Securities under Sections 2.03, 2.04, 2.05, 2.07, 4.02, 4.03, 7.05 and 7.10 hereof, (C) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (D) this Article XI. Sections 7.06 and 11.06 shall survive to such date and thereafter, and the Trustee, on demand of the Company and at the cost and expense of the Company shall execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to such series.

Section 11.03 Defeasance and Discharge of Obligations; Covenant Defeasance.

(a) If at any time:

(i) all such Securities of a particular series not heretofore delivered to the Trustee for cancellation or that have not become due and payable as described in Section 11.02 shall have been paid by the Company by depositing irrevocably with the Trustee in trust funds or an amount of Governmental Obligations sufficient to pay at maturity or upon redemption all such Securities of that series not theretofore delivered to the Trustee for cancellation, including principal, premium, if any, and interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and

(ii) the Company shall also pay or cause to be paid all other amounts payable hereunder by the Company with respect to such series,

then, after the date such funds or Governmental Obligations, as the case may be, are deposited with the Trustee, the obligations of the Company under this Indenture with respect to such series shall cease to be of further effect except, to the extent applicable to each, for the following provisions that shall survive until such Securities shall mature and be paid: (A) the rights of Holders of Securities of such series to receive, solely from the trust fund described in Section 11.03(c) and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on such Securities when due, (B) the Company's obligation with respect to such Securities under Sections 2.03, 2.04, 2.05, 2.07, 4.02, 4.03, 7.05 and 7.10 hereof, (C) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (D) this Article XI. Thereafter, Sections 7.06 and 11.06 shall survive such satisfaction and discharge.

(b) In addition, each of the Company, at its option and at any time, by written notice executed by an Officer delivered to the Trustee, may elect to have its obligations, to the extent applicable to each, under Sections 4.07, 4.08 and 5.03 and any covenant contained in Article X, and any other covenant contained in the Board Resolution or supplemental indenture relating to such series pursuant to Section 2.01, discharged with respect to all Outstanding Securities of a series, this Indenture and any indentures supplemental to this Indenture insofar as such Securities are concerned ("**covenant defeasance**"), such discharge to be effective on the date the conditions set forth in clauses (i) through (vii) of Section 11.03(c) are satisfied, and such Securities shall thereafter be deemed to be not "Outstanding" for the purposes of any direction, waiver, consent or declaration of Securityholders (and the consequences of any thereof) in connection with such covenants, but shall continue to be "Outstanding" for all other purposes under this

Indenture. For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of a series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute an Event of Default under Section 6.01(a)(3) or otherwise, but except as specified in this Section 11.03(b), the remainder of the Company's obligations under the Securities of such series, this Indenture, and any indentures supplemental to this Indenture with respect to such series shall be unaffected thereby.

(c) The following shall be the conditions to the application of Section 11.03 to the Outstanding Securities of the applicable series:

(i) the Company irrevocably deposits in trust with the Trustee or, at the option of the Trustee, with a trustee satisfactory to the Trustee and the Company under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee, cash or Governmental Obligations that will generate cash sufficient to pay principal of, premium, if any, and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and to pay all other amounts payable by it hereunder, provided that (A) the trustee of the irrevocable trust shall have been irrevocably instructed to pay such funds or the proceeds of such Governmental Obligations to the Trustee and (B) the Trustee shall have been irrevocably instructed to apply such funds or the proceeds of such Governmental Obligations to the payment of said principal, premium, if any, and interest with respect to the Securities of such series;

(ii) the Company delivers to the Trustee an Officer's Certificate stating that all conditions precedent specified herein relating to defeasance or covenant defeasance, as the case may be, have been complied with, and an Opinion of Counsel to the same effect;

(iii) no Event of Default shall have occurred and be continuing, and no event which with notice or lapse of time or both would become such an Event of Default shall have occurred and be continuing, on the date of such deposit;

(iv) in the event of an election under Section 11.03(a), the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date of this instrument, there has been a change in the applicable Federal income tax law, in either case (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit, defeasance and discharge to be effected with respect to such Securities and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would be the case if such deposit, defeasance and discharge were not to occur;

(v) in the event of an election under Section 11.03(b), the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur; and

(vi) notwithstanding any other provisions of this Section 11.03, such covenant defeasance shall be effected in compliance with any additional or substitute terms, conditions or limitations which may be imposed on the Company pursuant to Section 2.01.

After such irrevocable deposit made pursuant to this Section 11.03 and satisfaction of the other conditions set forth herein, the Trustee upon request shall acknowledge in writing the discharge of the Company's obligations pursuant to this Section 11.03.

Section 11.04 Deposited Funds to be Held in Trust.

All funds or Governmental Obligations deposited with the Trustee pursuant to Sections 11.02 or 11.03 shall be held in trust and shall be available for payment as due, either directly or through any paying agent (including the Company acting as its own paying agent), to the holders of the particular series of Securities for the payment or redemption of which such funds or Governmental Obligations have been deposited with the Trustee.

Section 11.05 Payment of Funds Held by Paying Agents.

In connection with the provisions of Section 11.02 or 11.03, all funds or Governmental Obligations then held by any paying agent under the provisions of this Indenture shall, upon demand of the Company, be paid to the Trustee and thereupon such paying agent shall be released from all further liability with respect to such funds or Governmental Obligations.

Section 11.06 Repayment to the Company.

Any funds or Governmental Obligations deposited with any paying agent or the Trustee, or then held by the Company, in trust for payment of principal of, premium, if any, or interest on the Securities of a particular series that are not applied but remain unclaimed by the holders of such Securities for at least one year after the date upon which the principal of, premium, if any, or interest on such Securities shall have respectively become due and payable, shall, upon request of the Company, be repaid to the Company, or if then held by the Company shall be discharged from such trust; and thereafter, the paying agent and the Trustee shall be released from all further liability with respect to such funds or Governmental Obligations, and the holder of any of the Securities entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Company, as applicable, for the payment thereof. Anything in this Article XI to the contrary notwithstanding, subject to Section 7.06, the Trustee shall deliver or pay to the Company from time to time upon request by the Company any funds or Governmental Obligations (or other property and any proceeds therefrom) held by it as provided in Sections 11.02 or 11.03 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a defeasance or covenant defeasance, as the case may be, in accordance with this Article XI.

Section 11.07 Reinstatement.

If the Trustee or paying agent is unable to apply any funds or Governmental Obligations in accordance with Section 11.02 or 11.03 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture, any indentures supplemental to this Indenture with respect to the applicable series of Securities and the Securities of such series shall be revived and

reinstated as though no deposit had occurred pursuant to Section 11.02 or 11.03, as the case may be, until such time as the Trustee or paying agent is permitted to apply all such funds or Governmental Obligations in accordance with Section 11.02 or 11.03, as the case may be; provided, however, that if the Company has made any payment of principal, premium, if any, or interest on any Securities of such series following the reinstatement of its obligations as aforesaid, the Company, as applicable, shall be subrogated to the rights of the holders of such Securities of such series to receive such payment from the funds or Governmental Obligations held by the Trustee or paying agent.

ARTICLE XII.

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

Section 12.01 No Recourse.

No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, shareholder, officer or director, past, present or future as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, shareholders, officers or directors as such, of the Company or of any predecessor or successor corporation, or any of them, because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability of every name and nature, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, shareholder, officer or director as such, because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of such Securities.

As used herein, the following defined terms shall have the following meanings with respect to the Notes only:

“Below Investment Grade Rating Event” means the Notes are downgraded below Investment Grade Rating by both Rating Agencies on any date during the period (the **“Trigger Period”**) commencing 60 days prior to the first public announcement by the Company of the occurrence of a Change of Control (or pending Change of Control) and ending 60 days following consummation of such Change of Control (which Trigger Period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by either of such Rating Agencies on such 60th day, such extension to last with respect to each such Rating Agency until the date on which such Rating Agency considering such possible downgrade either (x) rates the Notes below Investment Grade or (y) publicly announces that it is no longer considering the Notes for possible downgrade, provided that no such extension will occur if on such 60th day the Notes are rated Investment Grade by at least one of such Rating Agencies in question and are not subject to review for possible downgrade by such Rating Agency).

“Change of Control” means the occurrence of any of the following: (1) direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries taken as a whole to any “person” (as that term is used in Section 13(d)(3) of the Exchange Act) other than the Company or one of its direct or indirect wholly-owned subsidiaries; (2) the consummation of any transaction (including, without limitation, any merger or consolidation) as a result of which any “person” (as that term is used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the Company’s outstanding Voting Stock or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (3) the Company consolidates with, or merges with or into, any “person” or “group” (as that term is used in Section 13(d)(3) of the Exchange Act), or any “person” or “group” consolidates with, or merges with or into, the Company, in any such event pursuant to a transaction in which any of the

Company's Voting Stock or the Voting Stock of such other person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Company's Voting Stock outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving person or any direct or indirect parent company of the surviving person immediately after giving effect to such transaction; (4) the first day on which a majority of the members of the Company's board of directors are not Continuing Directors; or (5) the adoption of a plan by the board of directors of the Company or its stockholders relating to the Company's liquidation or dissolution. Notwithstanding the foregoing, a transaction will not be deemed to involve a Change of Control if (a) the Company becomes a direct or indirect wholly owned subsidiary of a holding company (which shall include a parent company) and (b)(i) the holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of our Voting Stock immediately prior to that transaction or (ii) no "person" (as that term is used in Section 13(d)(3) of the Exchange Act) (other than a holding company satisfying the requirements of this sentence) becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the voting power of the Voting Stock of such holding company immediately following such transaction.

"Change of Control Triggering Event" means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

Section 1.3 Optional Redemption.

(a) The provisions of Article Three of the Base Indenture, as amended by the provisions of this First Supplemental Indenture, shall apply to the Notes with respect to this Section 1.3.

(b) The Notes shall be redeemable, in each case, in whole at any time or in part from time to time, at the Company’s option. Upon redemption of the Notes, the Company shall pay an Optional Redemption Price equal to the greater of:

(i) 100% of the principal amount of the 2016 Notes, 2021 Notes or the 2041 Notes to be redeemed, as the case may be, and

(c) On and after the Optional Redemption Date for the Notes, interest shall cease to accrue on the Notes or any portion thereof called for redemption, unless the Company defaults in the payment of the Optional Redemption Price and accrued interest, if any. On or before 12:00 p.m., New York City time, on the Optional Redemption Date for the Notes, the Company shall deposit with the Trustee or a paying agent, funds sufficient to pay the Optional Redemption Price of the Notes to be redeemed on the Optional Redemption Date, and (except if the date fixed for redemption shall be an Interest Payment Date) accrued interest, if any. If the Optional Redemption Price cannot be determined at the time such notice is to be given, the actual Optional Redemption Price, calculated as described above in clause (b), shall be set forth in an Officers' Certificate of the Company delivered to the Trustee no later than two (2) Business Days prior to the Optional Redemption Date. (ii) the Merger Agreement is terminated any time prior thereto for any reason.

(c) The Company shall redeem all of the aggregate principal amount of the Outstanding Notes on the 15th day (or, if such day is not a Business Day, the first Business Day thereafter) following earlier to occur of (i), in the case of redemption pursuant to clause (b)(i) above, May 31, 2012, or (ii), in the case of redemption pursuant to clause (b)(ii) above, the date the Merger Agreement is terminated (the "**Special Mandatory Redemption Date**").

(d) Upon Special Mandatory Redemption, the Company shall pay the sum of 101% of the aggregate principal amount of the 2016 Notes, 2021 Notes or the 2041 Notes to be redeemed (the “**Special Mandatory Redemption Price**”), plus, in addition to such Special Mandatory Redemption Price, in each case, accrued and unpaid interest to, but excluding, the Special Mandatory Redemption Date. (f) Notice of redemption shall be given, with a copy to the Trustee, not later than five (5) Business Days following the Special Mandatory Redemption Triggering Event, to each Securityholder (a “**Special Mandatory Redemption Notice**”). The Special Mandatory Redemption Notice shall state the information set forth in, and shall be subject to the terms and conditions of, Section 3.02 of the Base Indenture. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall, on the Special Mandatory Redemption Date, become due and payable at the Special Mandatory Redemption Price, and accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date.

Section 1.4 Additional Covenant.

The following additional covenant shall apply with respect to the Notes so long as any of the Notes remain Outstanding:

(1) Change of Control Triggering Event.

(a) If a Change of Control Triggering Event occurs with respect to the Notes, unless the Company shall have exercised its option to redeem the Notes in full, as set forth in Section 1.3 of this First Supplemental Indenture, the Company shall have mandatorily redeemed the Notes in full, as set forth in Section 1.3A of this First Supplemental Indenture, or the Company shall have defeased the Notes or have satisfied and discharged the Notes, as set forth in Article XI of the Base Indenture, the Company shall make an offer (the “**Change of Control Offer**”) to each holder of the Notes to repurchase any and all of such holder’s Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of Notes to be repurchased (such principal amount to be equal to \$2,000 or an integral multiple of \$1,000 in excess of \$2,000), plus accrued and unpaid interest, if any, on the Notes to be repurchased up to, but excluding, the date of repurchase (the “**Change of Control Payment**”). Within 30 days following any Change of Control Triggering Event, the Company shall mail notice to the Trustee and Holders of the Notes describing the

transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the “**Change of Control Payment Date**”). Notwithstanding the foregoing, installments of interest whose Stated Maturity is on or prior to the Change of Control Payment Date shall be payable on the applicable Interest Payment Date to the Securityholders of such Notes registered as such at the close of business on the applicable record date pursuant to the Notes and the Indenture.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Trustee or a paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officers’ Certificate stating (1) the aggregate principal amount of Notes or portions of Notes being repurchased, (2) that all conditions precedent contained herein to make a Change of Control Offer have been complied with and (3) that the Change of Control Offer has been made in compliance with the Indenture.

The Company shall publicly announce the results of the Change of Control Offer on or as soon as possible after the date of purchase.

(c) The Company shall comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of this Section 1.4, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 1.4 by virtue of any such conflict.]

The notice must be sent by either the Trustee or Holders of 25% of the principal amount of the Notes of the affected series;

(5) the entry by a court having competent jurisdiction of:

(A) an order for relief in respect of the Company as debtor in an involuntary proceeding under any applicable Bankruptcy Law and such order shall remain unstayed and in effect for a period of 60 consecutive days; or

2.650% Senior Notes due 2016

This security is one of a duly authorized series of debt securities of Applied Materials, Inc., a Delaware corporation (the “Company”), issued or to be issued in one or more series under and pursuant to an Indenture for the Company’s unsubordinated debt securities, dated as of June 8, 2011 (the “Base Indenture”), duly executed and delivered by and among the Company and U.S. Bank National Association (the “Trustee”), as supplemented by the First Supplemental Indenture, dated as of June 8, 2011 (the “First Supplemental Indenture”), by and between the Company and the Trustee. The Base Indenture as supplemented and amended by the First Supplemental Indenture is referred to herein as the “Indenture.” By the terms of the Base Indenture, the debt securities issuable thereunder are issuable in series that may vary as to amount, date of maturity, rate of interest and in other respects as provided in the Base Indenture. This security is one of the series designated on the face hereof (individually, a “Security,” and collectively, the “Securities”), and reference is hereby made to the Indenture for a description of the rights, limitations of rights, obligations, duties and immunities of the Trustee, the Company and the holders of the Securities (the “Securityholders”). Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Base Indenture or the First Supplemental Indenture, as applicable.

1. Interest. The Company promises to pay interest on the principal amount of this Security at an annual rate of 2.650%. The Company will pay interest semi-annually on June 15 and December 15 of each year (each such day, an “Interest Payment Date”). If any Interest Payment Date, redemption date or maturity date of this Security is not a Business Day, then payment of interest or principal (and premium, if any) shall be made on the next succeeding Business Day with the same force and effect as if made on the date such payment was due, and no interest shall accrue for the period after such date to the date of such payment on the next succeeding Business Day. Interest on the Securities will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid, from the date of issuance; provided that, if there is no existing Default in the payment of interest, and if this Security is authenticated between a regular record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; and provided, further, that the first Interest Payment Date shall be December 15, 2011. Interest will be calculated on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Company will pay interest on the Securities (except defaulted interest), if any, to the persons in whose name such Securities are registered at the close of business on the regular record date referred to on the facing page of this Security for such interest installment. In the event that the Securities or a portion thereof are called for redemption (pursuant to either an optional redemption or a Special Mandatory Redemption) or there is a Change of Control Offer, and the Optional Redemption Date, the Special Mandatory Redemption Date or the Change of Control Payment Date, as applicable, is subsequent to a regular record date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Securities will instead be paid upon presentation and surrender of such Securities as provided in the Indenture.

The principal of and the interest on the Securities shall be payable in the coin or currency of the United States of America that at the time is legal tender for public and private debt, at the office or agency of the Company maintained for that purpose in accordance with the Indenture.

3. Paying Agent and Registrar. Initially, U.S. Bank National Association, the Trustee, will act as paying agent and Security Registrar. The Company may change or appoint any paying agent or Security Registrar without notice to any Securityholder. The Company or any of their Subsidiaries may act in any such capacity.

4. Indenture. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 ("TIA") as in effect on the date the Indenture is qualified. The Securities are subject to all such terms, and Securityholders are referred to the Indenture and TIA for a statement of such terms. The Securities are unsecured general obligations of the Company and constitute the series designated on the face hereof as the "2.650% Senior Notes due 2016", initially limited to \$400,000,000 in aggregate principal amount. The Company will furnish to any Securityholder upon written request and without charge a copy of the Base Indenture and the First Supplemental Indenture. Requests may be made to: Applied Materials, Inc., 3050 Bowers Avenue, P.O. Box 58039, Santa Clara, California 95052-8039, Attention: Treasurer.

5. Redemption. The Securities may be redeemed at the option of the Company prior to the maturity date, as provided in Section 1.3 of the First Supplemental Indenture, and must be redeemed, under certain circumstances, on the Special Mandatory Redemption Date, as provided in Section 1.3A of the First Supplemental Indenture.

The Company shall not be required to make sinking fund payments with respect to the Securities.

6. Change of Control Triggering Event. Upon the occurrence of a Change of Control Triggering Event, unless the Company has exercised its right to redeem this Security or the Company has defeased this Security or satisfied and discharged this Security, the holder of this Security will have the right to require that the Company purchase all or a portion, (such principal amount to be equal to \$2,000 or any integral multiple of \$1,000 in excess of \$2,000), of this Security at a purchase price equal to 101% of the principal amount repurchased plus accrued and unpaid interest, if any, on the amount to be repurchased to the date of purchase. Within 30 days following any Change of Control Triggering Event, the Company shall send, by first class mail, a notice to each Holder, in accordance with Section 1.4(1)(a) of the First Supplemental Indenture, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer.

7. Denominations, Transfer, Exchange. The Securities are in registered form without coupons in the denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Securities may be presented for exchange or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed if so required by the Company or the Security Registrar) at the office of the Security Registrar or at the office of any transfer agent

designated by the Company for such purpose. No service charge will be made for any registration of transfer or exchange, but a Securityholder may be required to pay any applicable taxes or other governmental charges. If the Securities are to be redeemed, the Company will not be required to: (i) issue, register the transfer of, or exchange any Security during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of less than all of the outstanding Securities of the same series and ending at the close of business on the day of such mailing; (ii) register the transfer of or exchange any Security of any series or portions thereof selected for redemption, in whole or in part, except the unredeemed portion of any such Security being redeemed in part; nor (iii) register the transfer of or exchange of a Security of any series between the applicable record date and the next succeeding Interest Payment Date.

8. Persons Deemed Owners. The registered Securityholder may be treated as its owner for all purposes.

9. Repayment to the Company. Any funds or Governmental Obligations deposited with any paying agent or the Trustee, or then held by the Company, in trust for payment of principal of, premium, if any, or interest on the Securities of a particular series that are not applied but remain unclaimed by the holders of such Securities for at least one year after the date upon which the principal of, premium, if any, or interest on such Securities shall have respectively become due and payable, shall, upon request of the Company, be repaid to the Company, or (if then held by the Company) shall be discharged from such trust. After return to the Company, Holders entitled to the money or securities must look to the Company, as applicable, for payment as unsecured general creditors.

10. Amendments, Supplements and Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

11. Defaults and Remedies. If an Event of Default with respect to the securities of a series issued pursuant to the First Supplemental Indenture occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the Securities of such series then Outstanding, by notice in writing to the Company (and to the Trustee if notice is given by such holders), may declare the unpaid principal of, premium, if any, and accrued interest, if any, due and payable immediately. Subject to the terms of the Indenture, if an Event of Default under the Indenture shall occur and be continuing, the Trustee will be under no obligation to exercise any of its

rights or powers under the Indenture at the request or direction of any of the holders, unless such holders have offered the Trustee indemnity satisfactory to it. Upon satisfaction of certain conditions set forth in the Indenture, the holders of a majority in principal amount of the Outstanding securities of a series issued pursuant to the First Supplemental Indenture will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the securities of such series.

12. Trustee, Paying Agent and Security Registrar May Hold Securities. The Trustee, subject to certain limitations imposed by the TIA, or any paying agent or Security Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, paying agent or Security Registrar.

13. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement of the Indenture, or of any Security, or for any claim based thereon or otherwise in respect hereof or thereof, shall be had against any incorporator, stockholder, officer or director, past, present or future as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that the Indenture and the obligations issued hereunder and thereunder are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors as such, of the Company or of any predecessor or successor corporation, or any of them, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom; and that any and all such personal liability of every name and nature, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director as such, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the acceptance of the Securities.

14. Discharge of Indenture. The Indenture contains certain provisions pertaining to discharge and defeasance, which provisions shall for all purposes have the same effect as if set forth herein.

15. Authentication. This Security shall not be valid until the Trustee signs the certificate of authentication attached to the other side of this Security.

U.S. BANK NATIONAL ASSOCIATION,
as Trustee

By: _____
Authorized Signatory

4.300% Senior Notes due 2021

This security is one of a duly authorized series of debt securities of Applied Materials, Inc., a Delaware corporation (the “Company”), issued or to be issued in one or more series under and pursuant to an Indenture for the Company’s unsubordinated debt securities, dated as of June 8, 2011 (the “Base Indenture”), duly executed and delivered by and among the Company and U.S. Bank National Association (the “Trustee”), as supplemented by the First Supplemental Indenture, dated as of June 8, 2011 (the “First Supplemental Indenture”), by and between the Company and the Trustee. The Base Indenture as supplemented and amended by the First Supplemental Indenture is referred to herein as the “Indenture.” By the terms of the Base Indenture, the debt securities issuable thereunder are issuable in series that may vary as to amount, date of maturity, rate of interest and in other respects as provided in the Base Indenture. This security is one of the series designated on the face hereof (individually, a “Security,” and collectively, the “Securities”), and reference is hereby made to the Indenture for a description of the rights, limitations of rights, obligations, duties and immunities of the Trustee, the Company and the holders of the Securities (the “Securityholders”). Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Base Indenture or the First Supplemental Indenture, as applicable.

1. Interest. The Company promises to pay interest on the principal amount of this Security at an annual rate of 4.300%. The Company will pay interest semi-annually on June 15 and December 15 of each year (each such day, an “Interest Payment Date”). If any Interest Payment Date, redemption date or maturity date of this Security is not a Business Day, then payment of interest or principal (and premium, if any) shall be made on the next succeeding Business Day with the same force and effect as if made on the date such payment was due, and no interest shall accrue for the period after such date to the date of such payment on the next succeeding Business Day. Interest on the Securities will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid, from the date of issuance; provided that, if there is no existing Default in the payment of interest, and if this Security is authenticated between a regular record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; and provided, further, that the first Interest Payment Date shall be December 15, 2011. Interest will be calculated on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Company will pay interest on the Securities (except defaulted interest), if any, to the persons in whose name such Securities are registered at the close of business on the regular record date referred to on the facing page of this Security for such interest installment. In the event that the Securities or a portion thereof are called for redemption (pursuant to either an optional redemption or a Special Mandatory Redemption) or there is a Change of Control Offer, and the Optional Redemption Date, the Special Mandatory Redemption Date or the Change of Control Payment Date, as applicable, is subsequent to a regular record date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Securities will instead be paid upon presentation and surrender of such Securities as provided in the Indenture.

The principal of and the interest on the Securities shall be payable in the coin or currency of the United States of America that at the time is legal tender for public and private debt, at the office or agency of the Company maintained for that purpose in accordance with the Indenture.

3. Paying Agent and Registrar. Initially, U.S. Bank National Association, the Trustee, will act as paying agent and Security Registrar. The Company may change or appoint any paying agent or Security Registrar without notice to any Securityholder. The Company or any of their Subsidiaries may act in any such capacity.

4. Indenture. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 ("TIA") as in effect on the date the Indenture is qualified. The Securities are subject to all such terms, and Securityholders are referred to the Indenture and TIA for a statement of such terms. The Securities are unsecured general obligations of the Company and constitute the series designated on the face hereof as the "4.300% Senior Notes due 2021", initially limited to \$750,000,000 in aggregate principal amount. The Company will furnish to any Securityholder upon written request and without charge a copy of the Base Indenture and the First Supplemental Indenture. Requests may be made to: Applied Materials, Inc., 3050 Bowers Avenue, P.O. Box 58039, Santa Clara, California 95052-8039, Attention: Treasurer.

5. Redemption. The Securities may be redeemed at the option of the Company prior to the maturity date, as provided in Section 1.3 of the First Supplemental Indenture, and must be redeemed, under certain circumstances, on the Special Mandatory Redemption Date, as provided in Section 1.3A of the First Supplemental Indenture.

The Company shall not be required to make sinking fund payments with respect to the Securities.

6. Change of Control Triggering Event. Upon the occurrence of a Change of Control Triggering Event, unless the Company has exercised its right to redeem this Security or the Company has defeased this Security or satisfied and discharged this Security, the holder of this Security will have the right to require that the Company purchase all or a portion, (such principal amount to be equal to \$2,000 or any integral multiple of \$1,000 in excess of \$2,000), of this Security at a purchase price equal to 101% of the principal amount repurchased plus accrued and unpaid interest, if any, on the amount to be repurchased to the date of purchase. Within 30 days following any Change of Control Triggering Event, the Company shall send, by first class mail, a notice to each Holder, in accordance with Section 1.4(1)(a) of the First Supplemental Indenture, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer.

7. Denominations, Transfer, Exchange. The Securities are in registered form without coupons in the denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Securities may be presented for exchange or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed if so required by the Company or the Security Registrar) at the office of the Security Registrar or at the office of any transfer agent

designated by the Company for such purpose. No service charge will be made for any registration of transfer or exchange, but a Securityholder may be required to pay any applicable taxes or other governmental charges. If the Securities are to be redeemed, the Company will not be required to: (i) issue, register the transfer of, or exchange any Security during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of less than all of the outstanding Securities of the same series and ending at the close of business on the day of such mailing; (ii) register the transfer of or exchange any Security of any series or portions thereof selected for redemption, in whole or in part, except the unredeemed portion of any such Security being redeemed in part; nor (iii) register the transfer of or exchange of a Security of any series between the applicable record date and the next succeeding Interest Payment Date.

8. Persons Deemed Owners. The registered Securityholder may be treated as its owner for all purposes.

9. Repayment to the Company. Any funds or Governmental Obligations deposited with any paying agent or the Trustee, or then held by the Company, in trust for payment of principal of, premium, if any, or interest on the Securities of a particular series that are not applied but remain unclaimed by the holders of such Securities for at least one year after the date upon which the principal of, premium, if any, or interest on such Securities shall have respectively become due and payable, shall, upon request of the Company, be repaid to the Company, or (if then held by the Company) shall be discharged from such trust. After return to the Company, Holders entitled to the money or securities must look to the Company, as applicable, for payment as unsecured general creditors.

10. Amendments, Supplements and Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

11. Defaults and Remedies. If an Event of Default with respect to the securities of a series issued pursuant to the First Supplemental Indenture occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the Securities of such series then Outstanding, by notice in writing to the Company (and to the Trustee if notice is given by such holders), may declare the unpaid principal of, premium, if any, and accrued interest, if any, due and payable immediately. Subject to the terms of the Indenture, if an Event of Default under the Indenture shall occur and be continuing, the Trustee will be under no obligation to exercise any of its

rights or powers under the Indenture at the request or direction of any of the holders, unless such holders have offered the Trustee indemnity satisfactory to it. Upon satisfaction of certain conditions set forth in the Indenture, the holders of a majority in principal amount of the Outstanding securities of a series issued pursuant to the First Supplemental Indenture will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the securities of such series.

12. Trustee, Paying Agent and Security Registrar May Hold Securities. The Trustee, subject to certain limitations imposed by the TIA, or any paying agent or Security Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, paying agent or Security Registrar.

13. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement of the Indenture, or of any Security, or for any claim based thereon or otherwise in respect hereof or thereof, shall be had against any incorporator, stockholder, officer or director, past, present or future as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that the Indenture and the obligations issued hereunder and thereunder are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors as such, of the Company or of any predecessor or successor corporation, or any of them, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom; and that any and all such personal liability of every name and nature, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director as such, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the acceptance of the Securities.

14. Discharge of Indenture. The Indenture contains certain provisions pertaining to discharge and defeasance, which provisions shall for all purposes have the same effect as if set forth herein.

15. Authentication. This Security shall not be valid until the Trustee signs the certificate of authentication attached to the other side of this Security.

16. Additional Amounts. The Company is obligated to pay Other Additional Amounts on this Security to the extent provided in Section 10.03 of the Base Indenture.

17. Abbreviations. Customary abbreviations may be used in the name of a Securityholder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

Ladies and Gentlemen:

We have acted as special counsel to Applied Materials, Inc., a Delaware corporation (the “Company”), in connection with the filing by the Company with the Securities and Exchange Commission (the “Commission”) on June 1, 2011 of a registration statement on Form S-3 (the “Registration Statement”), under the Securities Act of 1933, as amended (the “Act”), that is automatically effective under the Act pursuant to Rule 462(e) promulgated thereunder. The Registration Statement relates to, among other things, the proposed issuance and sale, from time to time, by the Company of debt securities with an indeterminate amount as may at various times be issued at indeterminate prices, in reliance on Rule 456(b) and Rule 457(e) under the Act.

Under the Registration Statement, the Company has issued \$400,000,000 in aggregate principal amount of 2.650% Senior Notes due 2016 (the “2016 Notes”), \$750,000,000 in aggregate principal amount of 4.300% Senior Notes due 2021 (the “2021 Notes”) and \$600,000,000 in aggregate principal amount of 5.850% Senior Notes due 2041 (the “2041 Notes” and together with the 2016 Notes and 2021 Notes, the “Notes”) pursuant to an Indenture, dated as of June 8, 2011 (the “Base Indenture”), between the Company and U.S. Bank National Association, as trustee (the “Trustee”), as supplemented by the First Supplemental Indenture, dated as of June 8, 2011 (the “Supplemental Indenture” and the Base Indenture as so supplemented, the “Indenture”), between the Company and the Trustee. The Notes were sold pursuant to an Underwriting Agreement, dated June 1, 2011 (the “Underwriting Agreement”), among the Company, J.P. Morgan Securities LLC and Citigroup Global Markets Inc., as representatives of the several underwriters named in the Underwriting Agreement.

We have examined the Registration Statement, together with the exhibits thereto and the documents incorporated by reference therein; the base prospectus, dated June 1, 2011, together with the documents incorporated by reference therein, filed with the Registration Statement (the “Base Prospectus”); the preliminary prospectus supplement, dated June 1, 2011, in the form filed with the Commission pursuant to Rule 424(b) of the Securities Act relating to the offering of the Notes; the final prospectus supplement, dated June 1, 2011, in the form filed with Commission pursuant to Rule 424(b) of the Securities Act relating to the offering of the Notes (collectively with the Base Prospectus, the “Prospectus Supplement”); the Indenture and the Notes. In addition, we have examined such other instruments, documents, certificates and records which we have deemed relevant and necessary for the basis of our opinion hereinafter expressed. In such examination, we have assumed (i) the authenticity of original documents and the genuineness of all signatures; (ii) the conformity to the originals of all documents submitted to us as copies; (iii) the truth, accuracy, and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed; (iv) the Underwriting Agreement has been duly authorized and validly executed and delivered

by the parties thereto (other than the Company); (v) the legal capacity of all natural persons; and (vi) that the Trustee has the power, corporate or other, to enter into and perform its obligations under the Indenture and that the Indenture will be a valid and binding obligation of the Trustee. As to any facts material to the opinions expressed herein that were not independently established or verified, we have relied upon oral or written statements and representations of officers and other representatives of the Company.

We express no opinion as to any matter relating to laws of any jurisdiction other than the federal laws of the United States of America, the General Corporation Law of the State of Delaware (the "DGCL"), and the laws of the State of New York, as such are in effect on the date hereof, and we have made no inquiry into, and we express no opinion as to, the statutes, regulations, treaties, common laws or other laws of any other nation, state or jurisdiction. We are not licensed to practice law in the State of Delaware and, accordingly, our opinions as to the DGCL are based solely on a review of the official statutes of the State of Delaware and the applicable provisions of the Delaware Constitution and the reported judicial decisions interpreting such statutes and provisions.

We express no opinion as to (i) the effect of any bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other similar laws relating to or affecting the rights of creditors generally, (ii) rights to indemnification and contribution which may be limited by applicable law or equitable principles, or (iii) the effect of general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, the effect of judicial discretion and the possible unavailability of specific performance, injunctive relief or other equitable relief, and limitations on rights of acceleration, whether considered in a proceeding in equity or at law.

On the basis of the foregoing and in reliance thereon and having regard for legal considerations which we deem relevant, and subject to the limitations and qualifications set forth herein, we advise you that in our opinion the Notes have been validly issued and constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, and the Notes are entitled to the benefits of the Indenture.

We hereby consent to the filing of this opinion as an exhibit to the above-referenced Registration Statement and to the use of our name wherever it appears in the Registration Statement, the Base Prospectus, the Prospectus Supplement, and in any amendment or supplement thereto. In giving such consent, we do not believe that we are "experts" within the meaning of such term as used in the Act or the rules and regulations of the Commission issued thereunder with respect to any part of the Registration Statement, including this opinion as an exhibit or otherwise.

Very truly yours,

WILSON SONSINI GOODRICH & ROSATI
