Nature of Indirect Beneficial Ownership (Instr. 4)
				Code	V	(A)	(D)	Date Exercisable	Expiration Date					

Explanation of Responses:

- Represents performance shares that will be converted on a one-for-one basis into shares of Applied Materials, Inc. ("Applied") common stock upon vesting, which vesting depends on the achievement of specified performance goals. Provided such goals are achieved, vesting is scheduled to occur no earlier than in four equal annual installments beginning December 19, 2015 (subject to continued employment through each applicable vest date). The number of shares shown is the target amount. The actual number of shares that may vest ranges from 0% to 150% of the target amount, depending on achievement of specified performance goals.
- Increased number of shares reflects periodic payroll acquisitions under Employees' Stock Purchase Plan that are exempt under Rule 16a-10 and Rule 16b-3. Number of shares includes: (a) 782,500 performance shares previously reported that in the future will be converted on a one-for-one basis into shares of Applied common stock upon vesting, which vesting is scheduled to occur as follows: (i) 62,500 shares are scheduled to vest in December 2014; (ii) 147,000 shares are scheduled to vest in equal installments in each July of 2015 and 2016; (iii) provided specified performance goals are achieved, 233,000 shares will be scheduled to vest as to 75% of the shares in December 2014 and as to 25% of the shares in December 2015, which number of shares is the target amount, and the actual number of shares that may vest ranges from 0% to 150% of the target amount, depending on the achievement of specified performance goals; (iv) provided specified performance goals are achieved, 250,000 shares will be scheduled to vest as to 50% of the shares in December 2014 and as to 25% of the shares in each December of 2015 and 2016, which number of shares is the target amount, and the actual number of shares that may vest ranges from 0% to 150% of the target amount, depending on the achievement of specified performance goals; and (v) provided specified performance goals are achieved, 90,000 shares will be scheduled to vest as to 75% of the shares in July 2015 and as to 25% of the shares in July 2016, which number of shares is the target amount, and the actual number of shares that may vest ranges from 0% to 140% of the target amount, depending on the achievement of specified performance goals; and (b) provided specified performance goals are achieved, 17,000 shares of restricted stock will be scheduled to vest as to 75% in December 2014 and as to 25% in December 2015, which number of shares is the target amount, and the actual number of shares that may vest ranges from 0% to 150% of the target amount, depending on the achievement of specified performance goals (all vesting is subject to continued employment through each applicable vest date). Notwithstanding the foregoing, vesting of shares that is scheduled to occur in calendar year 2014 (as well as in calendar year 2015, subject to Dr. Thakur's consent) will accelerate as of the date that is three trading days prior to the expected date of consummation of the transactions contemplated in connection with the business combination agreement, dated September 24, 2013, between Applied and Tokyo Electron Limited, as amended (subject to Dr. Thakur's continued employment and being a "disqualified individual" under IRS Code Section 4985 through the accelerated vest date).
- Increased number of shares reflects dividend reinvestment under the 401(k) Plan that are exempt under Rule 16b-3.
